

IN LIFE, IT'S NOT WHO YOU
REPRESENT
BUT WHAT.

You command respect wherever you go.
Something deep down inside sets you apart from the crowd.
It's the same something that tells you that you were meant to do great things.
Are you ready to prove that your life has a higher calling than just to be
"the man" in your neighborhood? If you are, you might have what
it takes to be a U.S. Marine.
