

YOUR CLOSEST BROTHERS AND SISTERS MAY NOT BE THE ONES YOU GREW UP WITH.

When you were growing up, you always felt you were different from the other kids around the neighborhood. You were popular, but you never ran with the wrong crowd. You kept your head in the books and your eye on the future. As a U.S. Marine, you'll meet young men and women just like you. And after weeks of rigorous training, guaranteed to put your honor, courage and commitment to the test, you'll discover you're not so different after all. You'll experience a sense of belonging you've never felt before. And become part of a family that will have your back for life.
