

UNITED STATES MARINE CORPS

SMALL BUSINESS LICENSE APPLICATION

(Please Print or Type)

Thank you for your interest in United States Marine Corps (USMC) Trademark Licensing. This form allows us to get to know you and your company better, so please answer the questions as completely as possible.

****This is a SMALL BUSINESS License Application designed for companies and individuals grossing less than \$5 million total sales annually. If you or your company gross more than \$5 million annually in product sales, then please fill out our STANDARD LICENSE APPLICATION****

STEP ONE: APPLYING FOR A LICENSE

To begin the licensing process, you must complete the following steps:

- Read through the Trademark Licensing Qualification Standards prior to filing out this application.
- Once you have determined that you would like to apply for a license please complete the application in full, providing our office with information needed to best review your request.
- Provide a non-returnable representative physical sample of each product that you plan to produce and or sell bearing any USMC insignia. Catalogs and/or e-mail photos of products are helpful but not themselves sufficient. The samples do not need to have USMC marks affixed, but must demonstrate to this office the quality of the proposed product.
- Once you have completed the application, send it with the other required elements to the United States Marine Corps, Trademark Licensing Office at the address at the end of this application, and keep a copy of the application packet for your records. The Trademark Office will review each application based on the information provided and if your application is approved, you will receive a license proposal. If your application is not approved, you will be notified in writing.

****Applications submitted without all of the above-mentioned items will not be processed****

STEP TWO: THE LICENSING PROCESS

Once your application has been approved, you will receive a license proposal. You must complete the following steps in their entirety and receive a fully executed agreement before you may begin production:

- Sign and return the Small Business License Agreement
- If requested in the proposed Small Business License Agreement, submit a certificate of product liability insurance with the USMC named as additional insured
- If requested in the proposed Small Business License Agreement, submit the company's identification tag or label that will appear on all product.
- All artwork must be approved by the, Trademark Licensing Office prior to production

****Authorization to produce products bearing USMC marks will not be granted until the company or individual has completed the licensing process in its entirety and received an executed Small Business License Agreement.**

STEP THREE: LICENSE MAINTENANCE

Once the licensing process has been completed, the Trademark Licensing Office will forward an executed copy of the Small Business License Agreement to you or your company. To keep your license in good standing, you must remember to:

- If required in the Small Business License Agreement, maintain product liability insurance coverage for each license that you hold, and make sure that a copy of your current certificate of insurance is on file with USMC.
- Always secure written approval of artwork from the Trademark Licensing Office prior to production.
- Submit a sales volume report annually so we may track your progress.

Once again, this is not a contract. You are not authorized to use USMC marks until: 1) you receive a fully executed Small Business Trademark License Agreement, 2) your products and graphics have been approved, and 3) you have provided our office with evidence of product liability insurance.

COMPANY INFORMATION

Company/Owner Name: _____
