

EXECUTIVE DECISION ROOM (EDR)

Information Sheet

The Executive Decision Room (EDR) is managed and maintained by the Organizational and Workforce Management Section (ARHM), Headquarters Marine Corps. Pictured below, the EDR is located in the Pentagon, Room 2A270.

EDR Contents and Capabilities:

- Executive-quality V-shaped table capable of seating 21 individuals
- Two ceiling-mounted projectors with two side-by-side front projection screens
- VTC capability (unclassified only)
- Printer
- DVD Player
- Electronic Whiteboard
- 23 Computers
 - (1) NMCI computer with Internet access (requires active Marine Corps NMCI account and Common Access Card). This computer can be displayed on one or both screens in the room.
 - (21) Legacy computers at each conference table seat on a closed intranet with NO connection to NMCI or the Internet. At these seats, there is only a monitor, keyboard and mouse.
 - (1) Legacy computer at a Leader Station desk that operates along with the 21 computers at the conference table on a closed intranet. This computer has NO access to NMCI or the Internet, but can be displayed on one or both screens in the room.
 - Windows XP Operating System
- Telephone with speaker. Please note the EDR is not equipped for audio teleconference.
