#### HOW TO REQUEST REIMBURSEMENT FROM YOUR DEPENDENT CARE ACCOUNT

Use this form to request reimbursement for your dependent care expenses only. To view a detailed list of eligible dependent care expenses, visit **FSAFEDS Eligible Expenses Juke Box** at **www.FSAFEDS.com**. In general, the following rules apply to dependent care expenses:

Dependent care expenses qualify if they are for the care of children under age 13 or other dependents that are physically or mentally incapable of caring for himself or herself. These expenses must be incurred so that you and your spouse, if married, can work, or your spouse can attend school full-time. However, if either you or your spouse had no earned income for the year, you are not eligible for the Dependent Care FSA. For more information, refer to the dependent care section of the <a href="Summary of Benefits">Summary of Benefits and Frequently Asked Questions</a>.

The annual amount of reimbursed dependent care claims cannot exceed:

- Your annual deposit amount up to \$5,000 (\$2,500 if you and your spouse are filing separate returns), or
- Your annual salary or your spouse's annual salary, if less than \$5,000, or
- Your annual election plus any childcare subsidies cannot total more than \$6,000, depending on your tax situation.
- Children must be under age 13 or physically or mentally incapable of caring for themselves if over age 13.
- Services provided by a childcare or elder care center must comply with all state and local laws to be an eligible reimbursement expense.
- FSAFEDS cannot pay for services that have not been rendered.

#### Step 1: Fill out the form

Please type or print in capital letters, with your letters centered in the boxes provided, and fill in all ovals as shown:

**For Section 1:** Complete all areas of "Employee Information." You may use your User ID instead of your SSN in Part 1 of the claim form. You will receive an email confirming receipt of your claim.

# For Sections 2 & 5: Complete a separate line for each individual expense. Do not lump expenses together.

- Complete all sections of the form. Sign and date the form where indicated.
- Please use page 3 for additional expenses if you exceed the number of lines provided on page 2.

#### **Step 2: Attach supporting documentation**

In addition to completing the form, you must submit the documentation described under A and B below:

- A. For allowable Dependent Care expenses, attach a copy of the bill or signed receipt. If the receipt is not available, the provider must sign the affidavit for each expense.
- B. Requests will not be processed without the Tax ID Number or Social Security Number for all providers.

## Step 3: Read the Certification and then sign and date the form where indicated

## Step 4: Submit your form

- By Fax: Fax the form and supporting documentation to 1-866-643-2245 (toll-free). If you are sending from outside the United States, please fax to 1-502-267-2233.
- By Mail: Place the form and the supporting documentation into an envelope, apply the correct postage, and mail to FSAFEDS Program, PO Box 36880, Louisville, KY 40233.
- Keep a copy of your completed form and receipts for your records.

Please remember that FSAFEDS has a minimum reimbursement threshold of \$25.00. If your claim does not total \$25.00, it will be processed and you will receive a reimbursement statement, but your payment will be pended until you submit another claim and reach the \$25.00 aggregate amount, or until the end of the quarter, whichever comes first.

### **Type of Supporting Documentation:**

You must include supporting documentation for your dependent care expenses with your claim. Attach a copy of the bill or signed receipt, or have the provider sign the Affidavit on Section 2 or 5 of the claim form. Claims without the Tax ID number or SSN for all providers will be denied. If your provider is tax exempt, enter all 9s for the Provider's Tax ID.

#### **Helpful Hints:**

- Have your provider sign the affidavit section of the form each time you submit to avoid including receipts each time
- Submit expenses for the full month **after** the month has ended, OR
- Submit previous week expenses
- The Total Requested box will automatically calculate the sum of expenses you list on page 2, or pages 2 and 3.

#### Please Do NOT:

- Use red ink
- Use a photocopy of this form
- Highlight receipts or any part of the form
- Staple your copied receipts to the form
- Write outside the boxes provided
- Fax the same form more than once
- Mail the same form that you have faxed
- Include this instruction sheet with your fax
  Submit claims before services are rendered

- I have until April 30 following the end of the Benefit Period or end of Federal Service to submit my claim for reimbursement of eligible expenses incurred during my period of coverage. If I do not submit claims for reimbursement by that date, I will forfeit any funds remaining in my account in accordance with IRS rules.

- My household limit for dependent care reimbursement cannot exceed \$5,000 per year, including my annual election, any child care subsidies that I receive, and/or amounts that my spouse has elected through another account.
- The balance in my DCFSA must be at least equal to the expenses submitted with this claim. If the balance in my DCFSA is less, these expenses will be held until the balance in my account is sufficient to pay these expenses.
- I can only be reimbursed for my DCFSA expenses after the date of service has passed.

I authorize FSAFEDS, or its representatives, to obtain necessary information from dependent care providers, employers, and all other agencies or organizations to consider the claim for reimbursement under my Flexible Spending Account; and to release payment through my Flexible Spending Account.
