

IGMC

***Inspection
Process
Brief***

For

MG Yamamoto

27 October 2006

Mission

“... to be the eyes and ears of the Commandant.”

IG Visits Are Designed To

- Improve:
 - ◆ Operational readiness
 - ◆ Quality of life
 - ◆ Safety
 - ◆ Efficiency
- Enhance: Marine Corps ethos
- Ensure: Compliance with regulations

The Command must benefit from the visit!

Philosophy

- **Facilitate the Inspection Process**
 - ◆ Utilizes subject matter experts throughout the USMC to conduct inspections
- **Focus on Command Inspection Program**
- **Use Automated Inspection Reporting System checklists as basis**
- **Provide a productive learning experience**
 - ◆ Assess, but also to assist
- **Recognize excellence**
 - ◆ Identifies excellent programs and ideas to be shared throughout the enterprise
- **Focus on Readiness!!!**

Execution

- **Bi-annual inspections**
- **No notice (normally 48 Hrs notification)**
- **Inspect the Inspectors**
 - ◆ **Assess the Commanding General's Inspection Program by evaluating inspections conducted on subordinate units**

Tailored for specific command

- ◆ **1-118 Functional Areas**
- ◆ **Typically 35-40 Functional Areas assessed per inspection**
- **Move towards effects based inspections**

Functional Areas Typically Assessed

- **Command Inspection Program**
- **Career Retention**
- **Ground Safety**
- **Substance Abuse**
- **Information and Personnel Security**
- **Fraud, Waste and Abuse**
- **Physical Fitness**
- **Ground Supply**
- **Ground ordnance**
- **Unit Training Management**
- **Water Safety/Survival Program**
- **Information Systems Management**
- **Physical Security**
- **Anti-Terrorism**
- **Medical/Dental**
- **Bachelor Housing**
- **Aviation Supply**
- **Aviation Safety**

Evaluation/Assessment

- **Written Report to Commanding General on Inspection Program Trends**
- **Verbal to Unit Commanders**
 - ◆ **Findings - significant problems that could:**
 - **Detract from readiness**
 - **Involve fraud, waste, or abuse**
 - **Impact individual health and welfare**
 - **Deviate from Secretary of the Navy or Commandant of the Marine Corps policies**
 - ◆ **Discrepancies - Errors in Procedure**
 - ◆ **Comments, Observations, Recommendations**

Other Interest Areas

- **Inspector General hears Request Mast (petitions or grievances from individual Marines)**
- **Commandant's Special Interest Brief is provided to all available personnel**

Follow-Up

- **Inspection Report to Commanding General (assessment results)**
- **Command's Report of Corrective Action**
- **Re-inspection and oversight**
- **Inspector General briefings to the Command of the Marine Corps on Corps-wide trends**
- **Local Issues requiring action**

Corps-Wide Interest Areas

- **Marine Corps Ground Equipment Assessments**
- **Private Motor Vehicle Safety Study**
- **Consolidated Administration Center Assessment**
- **Marine Combat Water Survival Training Assessment**
- **Unit/Command Financial Readiness Assessment**
