**CO's Corner:** As we begin the extended holiday weekend and celebrate President's day, please remember that safety is paramount. Take this time to spend with our families and recharge your batteries so that you can return to work refreshed. Also, I would like to thank all who attended and supported the USO "Operation back to School" event this past week, it was a huge success thanks to your efforts. Lastly, and most importantly, have a safe weekend, enjoy your time off, and remember to always "Protect What You Earned."

**SgtMaj's Corner:** 22 Marines are attending Corporal's Course 1-18 hosted by the Battalion aboard Joint Base Myer-Henderson Hall. The Marines are enjoying the course as they gain the knowledge and experience being presented by hand selected instructors. Thank you leaders for your continued support and for allowing your Marine to take this great opportunity to continue to grow.
