

Captain D'Itri is a Financial Management Officer that has served in both doctrinal and non-doctrinal 3404 billets throughout his career. After completion of the Financial Management Officers Course in 2007, he was assigned to the AC/S Comptroller Office, 1st MLG as the Exercise Officer. In late 2007, Capt. D'Itri volunteered for a deployment on a Border Transition Team with the I MEF Advisor Training Group where he served as the Financial Advisor at Border Fort #9 along the Iraq-Syria border until late 2008. His efforts included creating a method to audit the Iraqi Ministry of Interior payroll system and logistics procurement processes at the using unit level. As a result of these actions, Capt. D'Itri was asked to extend his deployment and relocate to the Provincial Government Center in Ar Ramadi, Iraq to serve as the Financial Advisor to the Al Anbar Provincial Chief of Police until early 2009. After redeployment, he returned to the 1st MLG as the Budget Officer, which also included filling in as the AC/S Comptroller and Deputy Comptroller due to staffing shortfalls. In 2010, Capt. D'Itri became the first 3404 stationed aboard the Marine Corps Mountain Warfare Training Center, Bridgeport, CA as permanent staff. His most recent efforts at MCMWTC included setting up the Budget Office as an extension of the MAGTFTC/MCAGCC Comptroller Office, establishing SOPs, and bringing MCMWTC closer toward being assigned its own Work Center ID (WCI) within the Marine Corps' budget structure.
