

Captain Holt most recently served as the Future Operations Officer with VMM-266(REIN). In this role, he was the lead aviation planner for Exercise EAGER LION, Jordan and Exercise BRIGHT STAR, Egypt. Additionally, he was the squadron Weapons and Tactics Instructor for the 2013 26 MEU work-ups and deployment aboard the USS Kearsarge. His responsibilities included Air Mission Commander of select missions and advanced tactics training of squadron pilots and enlisted aircrew. Prior to this, Capt Holt deployed with the 2010 26 MEU as the 266 adjutant and flight line division officer. Capt Holt received his initial training in the MV-22 Osprey at VMMT-204 while working in the operations department. He was winged in Pensacola, FL as an MV-22 Osprey pilot in December 2008. His education includes a B.S. in Economics from West Virginia University, MAWTS-1 Weapons and Tactics Instructor course, Legal Officer Course, and Aviation Maintenance Officer Course.
