					In 1991, there was a death at the El Toro Marine Corps Naval Air Station in Santa Ana, CA. According to DOD Directive 6010.16 if a death of an active military person takes place on a military installation the autopsy will be conducted by an Armed Forces Medical Examiner. However, the body of the decedent was sent to the Orange County Sheriff Coroner's Office for autopsy. I'm searching for government records that pertain to an agreement between the United States Marine Corps/Navy and the Orange County Sheriff Coroner's office describing the terms between the OC Coroner's Office and the military (Armed Forces Medical Examiner System) to conduct an autopsy of a military officer on active duty.

I hereby request the following records: Materials relating to or discussing the Electoral College, members of the Electoral College, or "faithless electors," as well as materials relating to the briefing request from Electoral College members. According to the letter sent by the Electoral College "Trump's willingness to disregard conclusions made by the intelligence community and his continuing defense of Russia and Russian President Vladimir Putin demand close scrutiny and deliberation from the Electoral College. The Electors require to know from the intelligence community whether there are ongoing investigations into ties between Donald Trump, his campaign or associates, and Russian government interference in the election, the scope of those investigations, how far those investigations may have reached, and who was involved in those investigations. We further require a briefing on all investigative findings, as these matters directly impact the core factors in our deliberations of whether Mr. Trump is fit to serve as President of the United States." This has been widely discussed by the media. DON-USMC-2017-002417	Request tom j. brockson NFFE FL 919		01/07/2017	Closed	Improper FOIA request for other reason	1. What prevented DoD USMC Civilian Law Enforcement from flowing the amended LEOSA 18 USC, SECTIONS 926B , if they meet the criteria? Case law from a Coast Guard case supports federal employees as law enforcement. In People against (b)(6) (b)(6) The court held that Booth was authorized to carry a firearm while acting as a Coast Guard boarding officer, adding, "Although the proof at the hearing indicates that the defendant engaged in a violation of rules, regulations and policies of the United States Coast Guard by possessing a handgun for which he had no license, these violations do not act to lessen the scope of LEOSA as it is applied in this instance." 2. What prevented DoD Civilian USMC Law Enforcement from following the DODI 5525.12 LEOSA instructions if the meet the criteria? 3. What prevented DoD Civilian USMC Law Enforcement from following MCO 5580.4. When was MCO 5580.4 signed and what date was the USMC allowed to carry under MCO 5580.4. 4.MARADMIN 660/16 was released December 2016, what takes priority a MCO or MARADMIN? 5. Did DoD Civilian USMC Law Enforcement have to wait until this MARADMIN 660/16 was issued before MCO 5580.4 could be followed. 6. Has any active duty, reserve, or civilian employee been issued LEOSA under MCO 5580.4. How long ago has the first LEOSA CREDENTIALS been issued. What is the date?

I am looking to gain approval from MCCLL or the Marine Corps to publish certain excerpts from documents that may be marked FOUO. Nothing in my writing is classified though it will also be undergoing an OPSEC review under Army Regulation before publication. These excerpts will allow me to tell more fully the Marine part of the history, which is significant in how the USMC trained and deployed your advisors. I conducted over fifty interviews of both Army and Marine Corps advisors ranging from 2003 to 2014. During my research and writing I uncovered a wealth of material, including summaries, interviews, and After Action Reports. Most of that was marked FOUO and I have gathered this material over the course of years. I have attached a Word document that lists those excerpts and their sourcing. All of these documents are resident in MCCLL's database. These are the documents I was planning on using: 1.</p>

Privacy Act Request

DON-USMC-2017-004088	Request	Robert Carlborg		03/03/2017	Closed	Improper FOIA request for other reason	I have attempted to obtain the information that I am seeking by emailing various Agencies which include HQMC (ARDB), HQMC (C4), and Marine Corps Cyberspace Operations Group (MCCOG) but have not achieved the desired results so I am submitting the following FOIA request. I am requesting answers to the following questions as they pertain to the Federal Records Act: 1. Per the required Disposal Instruction, how long does the Marine Corps maintain copies of emails that are identified as temporary Federal records before destruction? Temporary is distinctly different than transitory records which Federal Law allows to be destroyed after 180 days. 2. Most emails generated in the course of day-to-day business would be classified as temporary. For email records that are greater than 180 days, where does the Marine Corps maintain them in order to be accessible for a FOIA request before destruction? The National Archives and Records Administration (NARA) has the responsibility to approve all Disposal Instructions for Federal Records so I am additionally requesting a copy of the signed NARA approved Disposal Instruction identifying the specific period of time that temporary email records are maintained by the Marine Corps before destruction. Unless there is a signed waiver, the response to this FOIA request should not be that "copies of emails are not kept because of space considerations". The NAVMC Directive 5210.11E of 2006 clearly states in the paragraph that "4. Management of Electronic Mail as a Record a. Electronic mail must be handled as a record. If an electronic mail is a record, you should print a paper copy with the transmission data and file it appropriately or save it into an electronic record keeping system".

DON-USMC-2017-004511	Request	David B. Larter	Navy Times	03/16/2017	Assignment Determination		All Marine Corps and Department of the Navy records germane to the unscheduled relief of Marine Corps commanders in the paygrade of O-5 and above between the dates of January 1, 2012 and March 16, 2017. By "unscheduled relief" I mean occasions on which an O-5 or above commander was relieved prior to his previously scheduled, regular rotation date -- i.e. reliefs for cause, soft reliefs, and other displacements from command duty NOT on the regular "schedule" of command rotations. I also request every entry from the Commandant's "black book" AKA the Officer Discipline Notebook between the dates of January 1, 2012 and March 16, 2017 pertaining to commanders in the grade of O-5 and above, including current, pending entries in the ODN and archived ODN entries reflecting final disposition. I do not object to the redaction of names and other items of PII, but I do object to redaction of descriptions of command duty, i.e. "Commanding Officer, First Battalion, Fourth Marines" or "Commanding General, Training Command." I specifically call your attention to directives issued by the 44th President, which are still in effect, accompanying the FOIA Improvement Act of 2016, pertaining to a presumption of openness in terms of FOIA disclosure. In the interest of reducing the administrative burden this request imposes, I request the records be made available by email or through AMRDEC Safe Access File Exchange, or a similar means.

I am Univision's news anchor in Los Angeles and a frequent contributor to The New Yorker Magazine, in whose behalf I write this request. I am working on a story about a former Marine, Lance Corporal Itzcoatl Ocampo. The story is almost complete, except for one piece of the puzzle. I haven't been able to find Ocampo's detailed service records. This information is crucial for me to complete the profile I'm writing. (b)(6) forwarded me the following file. This (b)(6) told me, is the "releasable" information on Ocampo. "Itzcoatl Ocampo: Dates of Service: 18 July 2006 - 17 July 2010** Rank: Lance Corporal Date of Rank: 1 Feb 2009 MOS: Motor Vehicle Operator, 3531 Awards: Sea Service Deployment Ribbon, Iraq Campaign Medal (w/1 star), Global War on Terrorism Service Medal, National Defense Service Medal (2) Last Duty Assignment: 1st Medical Battalion, 1st Marine Logistics Group, Camp Pendleton CA Deployments: Operation Iraqi Freedom (4 March 2008 - 17 September 2008) Place Entered Active Duty: Los Angeles, CA" This is, sadly, insufficient for my journalistic endeavor. I would like to request the following: Ocampo's chronology of assignments. Ocampo's deployment listings Ocampo's record of NJP's, "page 11's" or counseling. DON-USMC-2017-005468	Request	Geoffrey A. Corson	04/17/2017	Closed	Partial grant/partial denial	<p>(b)(6) 24th Marine Expeditionary Unit (Special Operations Capable) (MEU (SOC)) (B)(6) (b)(6) the MEU deployed to the Adriatic Sea in the summer of 1995. During that deployment, the MEU executed a Tactical Recovery of Aircraft and Personnel (TRAP) that rescued Capt Scott O'Grady, USAF from Bosnia (June 1995). The MEU, and its Major Subordinate Elements (MSE's) generated numerous personal awards as a result of this successful TRAP. Recently, some members of the units involved, and former Capt O'Grady, have asked about the disposition of those awards, to include the recommended award, and the award that was finally approved and awarded to each Marine (I already have information on the unit award, this request is for the individual awards recommended and received by each participating Marine). Is there a report that exists or that can be generated that shows what the aggregate awards recommended were and the awards finally approved for each Marine in the affected units for this operation? The MEU had the following subordinate units that provided personnel for the TRAP: Battalion Landing Team (BLT) 3/8, Marine Medium Helicopter Squadron (HMM) - 263, MEU Service Support Group (MSSG) - 24). Thanks in advance for your help. G.A. Corson (B)(6)</p>

DON-USMC-2017-006103	Request	Victor Rodriguez		05/03/2017	Closed	Partial grant/partial denial	I am looking to begin a process of requesting FOIA Records, and am looking for guidance on how I can obtain records in relation to a study I want to conduct. I wanted to get information on military officer administrative separation boards, specifically racial demographics, discharges given, and articles/violations committed. I am interested to see if there is a trend analysis with minority officers receiving less favorable outcomes on administrative discharge boards. This includes probationary officers not receiving boards. I will be looking to conduct this study on my own, and am not affiliated with any organization(s) yet. If you could direct me as to how to receive this information, it would be greatly appreciated. For instance, should I contact major commands (MARFORs, MEFs, MAWs); who should I contact (Inspector General, MSC FOIA, Adjutants); what information can be released with divulging PII (racial/ethnic/religious demographics, articles or violations addressed at boards)? If this is not the proper channel to go through, then please direct me on where I must go to receive the information. I am currently working with individuals, but that does not suffice to provide a statistical trend analysis (B)(6) (b)(6) so the best way for correspondence is email, but i can make myself available for phone conversations if need be. Additionally, I have a lawyer in the Washington D.C. area that can act as a liaison if need be. Thank you in advance.

This information is being sought on behalf of USA Today for dissemination to the general public. Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities and the discipline meted out to general officers. This should be the companion Marine Corps document implementing the Navy's drug and alcohol abuse policy and it dates from the 1980s or 1990s. The Navy policy underwent multiple revisions beginning with screen/treat/return to service policy of the early 1980s to the current zero tolerance policy which I believe was put into place in the early 1990s. The Navy policy did not govern bases like Camp Lejeune that were not also Naval stations. Accordingly, I need the Marine Corps policy. I request totals of all combat sorties, close-air support attacks and/or airstrikes, and munitions releases conducted by USMC aircraft (to include fixed-wing, rotary and remotely piloted aircraft) from October 1, 2001 through May 30, 2017 for the following operations: - Operation Enduring Freedom - Operation Resolute Support - Operation Freedom's Sentinel - Operation Iraqi Freedom - Operation New Dawn - Operation Inherent Resolve It is my understanding that a full and complete tally of individual service component data may NOT be included within the annual Airpower Statistics "rollup" compiled and published publicly by United States Air Forces Central Command's Combined Air and Space Operations Center (i.e. Combined Forces Air Component Commander.) DON-USMC-2017-007333	Request	Reese Dunklin The Associated Press	06/08/2017	Assignment Determination		June 8, 2017 Dear Freedom of Information office for the Marines, I'm writing on behalf of the Associated Press to request statistics on the number of sex crimes reported at your branch's installations in which the alleged offender and victim were both under age 18. I would like to get this information aggregated by offense type and by calendar year from Jan. 1, 2007, to present. If you have easily accessed statistics in terms of fiscal years, let's discuss that as a possibility for this request rather than fiscal year. For example, responsive records could look like this chart: Offense type YEAR YEAR YEAR YEAR YEAR YEAR Offense 1 # # # # # # Offense 2 # # # # # # Offense 3 # # # # # # Offense 4 # # # # # # Offense 5 # # # # # # Offense 6 # # # # # # When I refer to sex crimes, I mean all offense forms -- including but not limited to rape, aggravated sexual assault, sexual assault, forcible sodomy, aggravated sexual contact, abusive sexual contact, wrongful sexual contact, indecent assault or attempts to commit any of the offenses. Once you have identified responsive records, my colleagues and I would be happy to engage in a conversation about the extent and nature of those records in an effort to limit the scope of the inquiry, and therefore the amount of work your office must do in reviewing the documents prior to release. I request that responsive records be released on a rolling basis; that is, in batches as they are available, rather than all at once and only once all documents have been reviewed for release. For expediency, please contact me by phone or by email if you have questions, rather than postal mail. Sincerely, Reese Dunklin, reporter 4851 LBJ Freeway, Suite 300, Dallas, TX, 75244 972-502-7571, rdunklin@ap.org

DON-USMC-2017-008939	Request Zachary J. Jacobson	Dr.	07/28/2017	Closed	Improper FOIA request for other reason	I am a Cold War historian. I was wondering if you might know where I could look for, or who I might ask about, locating the records for the orders to distribute literature to US military personnel by high officials (in this case Pres. John F. Kennedy, "The Guns of August" by Barbara Tuchman, 1962/63.) During the Cuban Missile Crisis, Kennedy was enamored with Tuchman's history of the first month of World War I as a clue for how to confront the Soviets in Cuba. In most any thorough biography of JFK, historians recall how the president insisted time and again that his aides and the officers around him read the book. He went further: he wanted to "send a copy of that book to every Navy officer on every ship right now." He told the Secretary of the Army, Cyrus Vance, to ship Tuchman's best-seller to "every U.S. military base in the world." These stories are repeated time and again, but there is no evidence yet, one way or other, if they were ever carried out, if soldiers and marines, pilots and sailors, as they readied for Cuba (and Vietnam) read of the misery and heroism of World War I amidst their own travails. Could you help point me in the direction of how I might figure this out? Sincerely, Zachary Jonathan Jacobson, PhD

DON-USMC-2017-010267	Request	Josiah Nicely		07/07/2017	Research Records	Requesting a copy of any and all records pertaining to DODIG HL Case 118609 also known as IGMC Case 0006425.	

DON-USMC-2017-010277	Request	Jon Mitchell		09/03/2017	Closed	Not an agency record	To USMC HQ, This is a request under the Freedom of Information Act. I hereby request the following records: A copy of all documents related to USMC artillery firing exercises in the NTA, Okinawa, in 1966 - 1967. These records ought to include the exercises and any incidents involving UXO, forest fires and injuries. I have attached one document from 1966 citing such drills in order to help your search. I am making this request as a representative of the media, Okinawa Times. I refer to my media accreditation in support that my request receive expedited processing and fee waiver. I believe my request meets the above requirements for the waiver of fees. I am a member of the news media - correspondent for the daily newspaper, Okinawa Times, editor at Asia-Pacific Journal and contributor for The Japan Times. The information I am seeking will clearly add to public understanding in the U.S. and Japan of the environmental impact of military installations on Okinawa. Previous articles which I have written related to this issue have been the focus of intense public debate. The documents we are now requesting will form the basis of a series of newspaper articles and they will be shared with public officials, policy-makers and, if deemed appropriate, made available online. My previous research has been featured in reports by the U.S. Congressional Research Service and the Japanese national parliament. I believe this supports my assertion that I am able to disseminate this information widely. There is "urgency to inform the public concerning actual or alleged Federal Government activity." 5 U.S.C. § 552. I believe there is widespread and exceptional media interest in which there exist possible questions about the government's integrity affecting public confidence. Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. Sincerely, Jon Mitchell
