2021-002840 Req FOIA Dr. Nick Turse Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request from the Marine Corps all documents related to policy and procedures that prohibit active advocacy and active participation related to supremacist, extremist, or criminal gang doctrine, ideology, or causes by active duty military personnel, as required by DoD Instruction 1325.06.

I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in *American Immigration Lawyers Association v. EOIR*, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record" i.e., as a unit "except insofar as the agency may redact information falling within a statutory exemption." As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$ .01.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing.

I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.

2021-008027	Req	FOIA	Miss Sonia R Webb	Hi, i am requesting any records showing service in the marine corp by an individual named (b)(6). He claims to have served in the marines after high school. The time frame would be around 1997 or 1998. And he lived in Fluvanna County or Albemarle County in the state of Virginia. I am sorry I don't have specific dates, but I do know certain info that will identify (b)(6) if you would like that information. I don't think there will be any records found, because I do not believe any records exist. I am using this information for personal use simply to verify whether or not he served. I personally never did, but my father and countless relatives proudly served and I feel that making false claims about having served is a slap in their face, and I do not want my children to be raised by somebody who would steal valor. I don't know the normal cost for these things, as I've never requested anything. If the fee could be waived, that would be great. However, I understand that someone is working to provide me with this information. I can't afford much but I will gladly pay if it is asked of me. Thank you for your consideration and I look forward to getting any information you can give me. Please contact me if you have any questions. Email is best but I will promptly return any phone messages too.	6/25/2021	No Records
