2023-000017	Req	FOIA	Sarah Wooldridge	I am looking for information on total DoD contract dollars issued in each fiscal year and to which US county/territory and congressional district those contracts were executed. It is my understanding that outside USAspending.gov, which only dates back to 2008, there is no comprehensive database for this information. This led me to submitting separate FOIA requests for each DoD agency. I hope to obtain contract data issued prior to 2008. Ideally, I would like records that date back to 1991. However, I understand the burden of acquiring records prior to electronic record keeping. Any/all electronic contract records which exist prior to 2008 will satisfy my request.	10/3/2022	Not an Agency Record

2023-003622	Req	FOIA	Kelsey Baker	<p>Hello. Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I request all copies of all command climate surveys and their results from Marine Corps Recruit Training Depot Parris Island from 2010-2021.</p> <p>I am requesting this information because it is extremely relevant to public interest and civilian oversight of military recruit training. News outlets have long reported on recruit training and abuses of power, most recently the New York Times' focus on Navy SEAL training. USMC command climate surveys are of utmost public interest as they are evidence of whether or not positive changes have been made in recent years in the wake of various recruit deaths and hazings. The public has gleaned little to no information about the toll taken on the Marines that work at Parris Island. How the Marines who work at these locations are treated and taken care of inevitably directly impacts the treatment of their recruits, which is a keen area of public and congressional interest.</p> <p>Please provide all responsive records that are in existence at the time of my request, regardless of format.</p> <p>As a journalist focused on military accountability, the public has a right to see the findings and information surrounding these studies, particularly in light of previous Marine Corps struggles with issues at boot camp, mental health, safety, etc. None of the information requested falls within any of the categories classified under EO 12958, as amended. Additionally, I understand that a prohibition on classification in EO 12958 is applicable to this request. Under the executive order, information may not be classified to "conceal violations of law, inefficiency, or administrative error;" "prevent embarrassment to a person, organization, or agency;" or "prevent or delay the release of information that does not require protection in the interest of national security."</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I reserve the right to appeal your decision to withhold information or deny a waiver of fees. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me (telephone or email) if you have questions regarding this request. This request is made as part of news gathering and not for commercial use. I am willing to pay fees for this request up to a maximum of \$25.00. If you estimate that the fees will exceed this limit, please inform me first. I look forward to your reply within 20 business days, as the statute requires.</p> <p>Thank you for your assistance.</p> <p>Sincerely, Kelsey Baker</p>	1/5/2023	Partial Grant/Partial Denial

2023-003697	Req	FOIA	Kelsey Baker	<p>Hello. Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I would like to please request all copies of all DD1300s for all Marines who have died between 2012-2022.</p> <p>I am requesting this information because the Marine Corps rarely, if ever, publicizes Marine deaths related to overdoses, whether they be accidental or intentional. Overdosing is the leading cause of accidental death within the United States, and according to some reports, could be the second-leading cause of death for U.S. service members behind suicide.</p> <p>There is an ongoing opioid crisis within the DOD, and within the Marine Corps. As a journalist focused on military accountability and the health and welfare of service members, the public has a right to see the findings and information surrounding these deaths. I am requesting all DD1300s (between 2012-2022), regardless of stated causes of death, so that I may gather the data for myself and discern how many Marines are dying.</p> <p>None of the information requested falls within any of the categories classified under EO 12958, as amended. Additionally, I understand that a prohibition on classification in EO 12958 is applicable to this request. Under the executive order, information may not be classified to "conceal violations of law, inefficiency, or administrative error;" "prevent embarrassment to a person, organization, or agency;" or "prevent or delay the release of information that does not require protection in the interest of national security."</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. Agencies were also required to develop and submit "an Agency Diversity, Equity, Inclusion, and Accessibility Strategic Plan (Agency DEIA Strategic Plan)." Under the Freedom of Information Act, I am requesting copies of any training materials presented to employees, managers or leadership on the topic of diversity, equity, inclusion and accessibility. Please begin the search on Jan. 1, 2022, and end the search on the date that the request is fulfilled. 2023-004534	Req	FOIA	Kelsey Baker	<p>Hello. Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I would like to please request all copies of all DD1300s for all Marines who have died during CY 2022 and the first two weeks of 2023. I am requesting this information because the Marine Corps rarely, if ever, publicizes Marine deaths related to overdoses, whether they be accidental or intentional. Overdosing is the leading cause of accidental death within the United States, and according to some reports, could be the second-leading cause of death for U.S. service members behind suicide. There is an ongoing opioid crisis within the DOD, and within the Marine Corps. As a journalist focused on military accountability and the health and welfare of service members, the public has a right to see the findings and information surrounding these deaths. I am requesting all DD1300s (for CY 2022 and the first two weeks of 2023), regardless of stated causes of death, so that I may gather the data for myself and discern how many Marines are dying. None of the information requested falls within any of the categories classified under EO 12958, as amended. Additionally, I understand that a prohibition on classification in EO 12958 is applicable to this request. Under the executive order, information may not be classified to "conceal violations of law, inefficiency, or administrative error;" "prevent embarrassment to a person, organization, or agency;" or "prevent or delay the release of information that does not require protection in the interest of national security." If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I reserve the right to appeal your decision to withhold information or deny a waiver of fees. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me (telephone or email) if you have questions regarding this request. This request is made as part of news gathering and not for commercial use. I am willing to pay fees for this request up to a maximum of \$25.00. If you estimate that the fees will exceed this limit, please inform me first. I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance. Sincerely, Kelsey Baker</p>	1/24/2023	Partial Grant/Partial Denial

2023-013565	Req	FOIA	Nicolas Galindo	I'm working on a story about a Marine who was separated in 2007 with an OTH discharge due to marijuana use. This was the only major infraction on his service record during his ToS and he served honorably as an armor during the Second Battle of Fallujah and in the Korengal Valley. He has stated, at the time, the marijuana use was self-medicating. Since his discharge, he was diagnosed with PTSD and hypertension, yet he has had some other medical issues arise where he is seeking to obtain care through the VA healthcare system. He currently attempting to have his discharge status changed so he garner more comprehensive care through the VA. While marijuana use is still illegal, federally, there have been numerous changes in marijuana laws statewide. I'm attempting to find more accurate numbers of service members who may have been discharged from all branches of service under similar circumstances so that I can be better informed about how many service members have been separated under similar circumstances and just how many prior service members could be in similar circumstances in garnering VA care.	7/18/2023	Other; Unable to Locate or Contact Requester

I request that a copy of the following documents [or documents containing the following information] be provided to me: DD-214 or some verification of military service to this country by a - Alan D. Zielinski. In order to help to determine my status to assess fees, you should know that I am an individual (b)(6) seeking information for personal use and not for a commercial use. I am willing to pay fees for this request up to a maximum of \$100. If you estimate that the fees will exceed this limit, please inform me first. [or] I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest, because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. A Illinois government official " Alan D. Zielinski (a former Grafton Township Assessor - McHenry County, IL and a resident of the "Village of Lakewood, IL" claims to have been in the United States Marine Corps at some point in his life &amp; has made such claims in his campaign materials and on his conceal/carry website (claiming to be a combat veteran). His resume on one of his company websites show nothing about being in the Marine Corps from the time he left High School to the present time. I am verifying if this is true, or if this is an attempt on his part at stolen valor (on the part of Mr. Zielinski). The thing is, he was just picked over a verifiable Iraq War Veteran - for another township assessor's position (and if this is stolen valor, it needs to be exposed to the light of day). My FOIA requester status as a "representative of the news media." I am a freelance television producer, with credits listed at: <a href="https://www.imdb.com/name/nm1825298/">https://www.imdb.com/name/nm1825298/</a> I am often working on documentaries related to my FOIA requests, and frequently write articles based on the FOIA documents I receive. They are read on my own high traffic website (25,000+ people daily log on, on average) called The Black Vault (<a href="http://www.theblackvault.com">www.theblackvault.com</a>), and those articles are OFTEN covered via the mainstream media, and cited as the source. Here are just some of the recent mainstream article that have covered my work, both highlighting my original articles written, along with profiling the documents I have received via FOIA: <a href="https://news.google.com/search?q=The%20Black%20Vault&amp;hl=en-US&amp;gl=US&amp;ceid=US%3Aen">https://news.google.com/search?q=The%20Black%20Vault&amp;hl=en-US&amp;gl=US&amp;ceid=US%3Aen</a></p> <p>I prefer electronic delivery of the requested material either via email to (b)(6) FAX (b)(6) or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.</p> <p>I respectfully request a copy of all photographs and videos that are labeled as "Unidentified Anomalous Phenomena" or previously "Unidentified Aerial Phenomena" that has been submitted from USMC to the DoD's All-domain Anomaly Resolution Office (AARO). I ask that you include any report / briefing material / memo / email / or any other form of written material that accompanied the visual, plus the visual imagery itself. I ask that you include a search of all classified and unclassified material.</p> <p>I agree that you can limit the search to communications from July 20, 2022, onwards, the date when AARO was established. However, please ensure to include all imagery shared with AARO, irrespective of the date of creation. This means all material submitted on or after July 20, 2022, should be considered, even if the images or videos themselves were created before this date, e.g., material created in 2015 but forwarded to AARO in 2022 should be included.</p> <p>Thank you so much for your time, and I am very much looking forward to your response.</p> <p>Sincerely, John Greenewald, Jr. (b)(6)</p>	8/28/2023

A copy of all agency telework policies or directives that were in place due to COVID-19 and/or the pandemic between 1 January 2020 and April 1, 2023. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. 2023-017151	Req	FOIA	SRIRAM IYER	<p>Hello My name is Sriram Iyer. I have tried to reach out to admin@foiaonline.gov But it kept blocking me.. This is very important and high priority message. I reported sex trafficking on Evony App; and requested Protective order against US MARINE ROMULUS; BABY BADGER ROMO ; founder or XXX XTM; a Trump Tower prominent member; from Texas Government followed by Joe Biden ; you must have seen his press conference last year before elections; with marines in the background.. since then I have become his hostage. All my communications and movements are suppressed; blocked, controlled. https://drive.google.com/drive/folders/1b1i5le9ATvFohiv1Gc0DXRikXBaxe9n https://drive.google.com/drive/folders/15BX21kjrwxTb4Qtd9Tm1gdlitHZQ7YTeU DL TX- 36448341 and Passport - 574506039 DOJ-Civil Rights 282238-PHD; 321676-FHX; 321989-DGS; 322372-KLU; 322769-JSB; 323130-RXX; 323253-BDB; 323764-RSG; 324187-FZH; 329463-LTS; 330253-SDH; 330587-MJK; 330739-CGQ; 330813-BQH; 332644-JRZ; 332840-NJJ; 333203-PXX; 333287-ZFT; 333363-ZMJ; 333444-PHJ; 333496-SHF; 333854-HMX; 333921-DQN; 334043-HQP; 334096-NSC; 334187-WRQ; 334337-VRD; 334517-QFB; 334653-LCQ; 335404-QDW; 335563-BPK; 336309-QLS; 336559-ZJQ; 336726-LNZ; 337205-KDB; 337275-WBP; 337332-GDP; 337556-SQX; 338146-RJN; 338266-RWR; 338405-XKB; 338571-WZW; 339160-LVW; 339196-KLG; 339365-DSD; 339677-QWD; 339721-BZT; 339791-RJQ; 339940-XNP; 340009-QND; 340136-BHV; 340354-PQR; 340417-DSH; 340623-QMZ; 340656-LZB; 340696-PCL; 340740-TNB; 340749-QKL; 340759-RLX; 340780-SCB; 340799-NXF; 340803-KTK; 341392-MQD; 341421-TFP; 341457-VLS; 341482-ZRH; 341502-QTR; 341559-VHW; 341718-FKK; 342393-BKJ; 342766-BHB; 342844-TBS; 343006-VVG; 343094-WXX; 343128-PXN; 343425-TPS; 343673-LKD; 344475-DLX; 345006-LQB; 345573-MLV; 346440-RDW; 346454-JHG; 346599-DBM; 347363-TCV; 347552-QBT; 348257-HNJ; 348402-JPC; 349362-WQL; 349471-RJF; 349840-PDP; 349966-WHG; 349979-RJV; 350186-FBC; 350251-JZM; 350349-NWM; 351450-NXP; 351538-WCB; 352053-PQJ FTC-144350632; 159138872; 160684170; 162767620; 162808830; 162925473; 163076365; 163087244; 163175804; 163179555; 163179675; 163221186; 163225108; 163217865; 163220035; 163224513; 163217327; 163224539; 163293116; 163296795; 163299079; 163356276; 163361855; 163355425; 163356287; 163447940; 163452829; 163509445; 163519386; 163504818; 163559338; 163444327; 163622322; 163620240; 163617243; 163617631 163684746; 163679138; 163678579; 163671262; 163671045; 163718981; 163718319; 163720665; 163718964; 163723276; 163723307; 163718909; 163765899 163779126; 163781391; 163839072; 163845576; 163831229; 163898206; 163896349; 163896043; 164019741; 164016743; 164137336; 164135692; 164131808; 164187572; 164193407; 164264566; 164263880; 164377351; 164264533; 164390772; 164621476; 164604296; 164864489 CPD-JG112775 JG209640 JG223188 JG284855 JG353832 JG412836; JG415330; JG416731 Arrest CPD-June28-(CB No.- 30257307; Star#121250; Inventory-3118970)(CPD-JG343100; Officer- Edgar Villarreal) July16(CB No. 30262574; Star no-114046; Inventory-3115166 Public Defender Off Cook County- Sam Dixen-872-221-0731 Log#2023-0001124(Sgt.R.
