CO's Corner: I'd like to start off by wishing all father's a Happy Father's Day! I would also like to thank everyone who attended this week's Lecture Series on the "Leading Tribes of Innovation".. it is much appreciated as I know taking time out of your busy schedule was not easy. A special thank you to Dr. Segar's as well for spending time with us and bringing an enlightening lecture and great discussion to HH ... we are still receiving incredible feedback from the audience. Lastly, I would like to thank everyone who attended the 101 Days of Summer Brief-although all the information passed and briefers were great-we must continue to be vigilant and watch over one another, our families, and ourselves. Have a great weekend everyone!

SgtMaj's Corner: SgtMaj is out of the office for the next couple of weeks.
