**UPDATED**

Face Mask Usage on Joint Base Myer Henderson Hall

*As of March 1, 2022*

Joint Base Myer-Henderson Hall has transitioned to Health Protection Condition Bravo.

Effective Mar. 1, 2022, JBM-HH rescinds its Aug. 2, 2021 policy requiring face coverings indoors. When the CDC COVID-19 Community Level is low in the county where a DoD installation or facility is located, indoor mask-wearing is not required for DoD personnel or visitors. As of Mar. 1, 2022, both the District of Columbia and Arlington County have been designated “low” by the CDC.

Individuals may choose to still wear a mask regardless of the CDC COVID-19 Community Level. Regardless of the CDC COVID-19 Community Level, DoD force health protection guidance for workplace access and mask wearing for DoD personnel with symptoms, a positive test, or exposure to someone with COVID-19 remains in effect. All other force health protection guidance remains in effect, including guidance regarding workplace access, occupancy levels, physical distancing, travel, and meetings. Individual must follow more rigorous workplace mask mandates when commanders and supervisors determine that it is required to protect health and safety in the workplace, such as mask wearing by health care workers. Accordingly, the mask policy for Rader Health Clinic and the Cody Child Development Center has not changed – all personnel and visitors, regardless of vaccination status, are still required to wear a mask indoors at these facilities until further notice.

2022 Women’s History Month

MarAdmin 086/22: 2022 Women’s History Month
(To view the MARADMIN, click on the link above.)

Women’s History Month is celebrated each year in the month of March. The 2022 National Women’s History Alliance observance theme is: “Women Providing Healing, Promoting Hope.”

In 1980, President Carter issued the first presidential proclamation declaring 2-8 March as National Women’s History Week. The following year, Congress passed a joint resolution (Public Law 97-28) which authorized, and requested the president to proclaim, the week beginning March 7, 1982 as Women’s History Week. Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as Women’s History Week. In 1987, after the National Women’s History Project successfully petitioned Congress, President Reagan signed Public Law 100-9 designating the month of March 1987 as Women’s History Month. Since then, presidents have issued proclamations, executive orders, and other guiding statements on Women’s History Month to honor the achievement of women in the United States.

Women have served as an integral part in the success of the Marine Corps since 1918. Women first entered the Marine Corps to fill the void left by the men fighting overseas. Since then, women served in increasingly more operational capacities. In 1967, Master Sergeant Barbara Dulinsky became the first woman to serve in a combat zone during the Vietnam Conflict. Prior to the combat exclusion policy repeal in 2013, the Lioness Program attached women to combat units to aid in the search of women and children at various checkpoints in support of Operation IRAQI FREEDOM. Women now have the opportunity to serve in every military occupational specialty and unit in the Marine Corps.

The Importance of Maintaining Cyber Awareness

Cybersecurity Tips for Marines and their Families
MARADMIN 063/22

This is a Deputy Commandant for Information (DC I) and Marine Forces Cyberspace Command (MARFORCYBER) coordinated message. Education and awareness are critically important in the fight against cybercriminal activity. Reference A reminded users of the Marine Corps Enterprise Network (MCEN) of their responsibilities to safeguard the integrity of our network. This message addresses other concerns outlined in Reference B by recommending cybersecurity best practices for the total force and their families.

1. Keep Your Software Up to Date
2. Use Anti-Virus Protection
3. Use Strong Passwords or a Password Management Tool
4. Use Two-Factor or Multi-Factor Authentication.
5. Phishing Scams
6. Protect Your Personal Identifiable Information (PII)
7. Use Your Mobile Devices Securely
8. Do not Use Public Wi-Fi unprotected
9. Use a Credit Freeze and Check Your Credit Report

JBM-HH Consolidated Tax Center

Beginning 7 February 2022, the JBM-HH Consolidated Tax Center (CTC) will begin taking appointments.

MONDAY to FRIDAY 9 a.m. to 4 p.m.

By Appointment Only – Virtual ONLY – No Walk-Ins

The Joint Base Myer-Henderson Hall Consolidated Tax Center (JBM-HH CTC) will once again “open its doors” to customers this upcoming tax season. The CTC will offer free, professional, and accurate assistance in the preparation of simple tax returns to active duty military members, military retirees, and their dependents. Military branches place a high importance on being able to support service members with a tax program. For instance, the Army Legal Assistance Program, states that “income tax assistance is an important aspect of a commander’s legal assistance program” as it “directly enhances readiness for mobilization or deployment.” Service members should be able to serve and focus on their missions without fear of audit or collection actions. Additionally, by utilizing the CTC, eligible customers are able to save hundreds of dollars in tax preparation fees. Our dedicated CTC volunteer tax preparers are training now to ensure we can support all eligible customers this tax season.

Eligibility: Active duty military members, military retirees, and their dependents. Reservists and Guardsmen, unless they are on Title 10 orders for 30 days or more or just came off of extended active duty, are not eligible. If a retired reservist or guard is receiving retirement pay, they are eligible for services.

Schedule an Appointment: You can email us at usarmy.jbmhh.mdw.mbx.legal-taxcenter@army.mil beginning 7 February for an appointment. Customers will be seen by appointment only.

Stay Updated: Please follow the JBM-HH Consolidate Tax Center Facebook Page and/or the website for any updates. If you have any questions, please feel free to email usarmy.jbmhh.mdw.mbx.legal-taxcenter@army.mil.

Good afternoon Leaders and staff,

This month’s Safety Checks Newsletter will provide you with some safety tips for Spring Cleaning, important information about smoke and carbon monoxide detectors, ladder safety, and some tips for safely celebrating St. Patrick’s Day, or any other party you may be attending.

Also, below is the latest NAVSAFECOM Sanitized Safety Investigation Report: **SSIR 22-04 Darken Ship Fatal Ladder Fall.** Falls in the dark aren’t limited to ships, so even if the causal factors and recommendations don’t tie to your situation, consider what lessons you can take away.

Lastly, we want to push out some recent manufacturer equipment recalls that may be relevant to your field/occupation or items you may utilize around the house, please see below.

Please read and share with your Marines, Civilians, and families.

School Liaison Program: Marines Mentoring Program

Looking for virtual volunteers!
Mentoring Program for Barcroft students is back! Barcroft students are in great need for volunteers. This volunteer job is easy and rewarding! Just one or two hours a week!

Open to all Marines and Service Members.

Important Information:
Volunteers will start off the program with getting to know their students, these will go from community builder/get to know you activities (for a couple of sessions) to social-emotional learning activities (also one-two sessions). (Activities will be provided). Last, (after a few weeks) you will read with your students. Barcroft Elementary has an online library you may use and will share their screen. Each session will be 1 hour. The Barcroft POC will lead a quick training for those interested in signing up. We’d love as many volunteers as possible for this program! For volunteer hours, contact the School Liaison Officer at amy.fishman@usmc-mccs.org.
