Face Mask Usage on Joint Base Myer Henderson Hall
As of September 17, 2021

According to the Centers for Disease Control and Prevention, both Washington D.C. and Arlington County are now "substantial" transmission areas for COVID-19 and the Delta variant. Face coverings are now required in all indoor settings on Myer, McNair and Henderson Hall - regardless of vaccination status. The mask mandate remains in place for all non-vaccinated individuals - both indoors and outdoors.

Our job is to defend our Nation's Capital and to be the face of the US Military. Vaccinating against COVID-19 is key to our continued success. Your efforts will make a difference in the fight against this disease. Be a part of the solution - get vaccinated.

The virus is still out there. As conditions change in the local area we must continue to remain vigilant at work and home. Get vaccinated and follow DOD, local and CDC guidelines — protect yourself, protect the team, protect the mission.

JBM-HH leadership continues to monitor the pandemic in the NCR and refine our conditions-based plan and continue to be focused on protecting the force, preserving readiness and mitigating the risk of transmission among personnel.

MARADMIN 513/21: National Domestic Violence Prevention

2021 Theme: United to End Domestic Violence

Domestic Violence Prevention Month is nationally recognized every October. Throughout the month, events are held to raise awareness of domestic abuse, offer support to victims, and provide community education on available resources.

The Department of Defense’s 2021 theme is, “United to End Domestic Violence.” The campaign promotes a shared community responsibility in the prevention of domestic abuse. Everyone in the military community is instrumental in ending domestic abuse.

If you suspect someone is in an unhealthy or abusive relationship, offer support. Victims often feel isolated and responsible for the abuse. Listen, empathize, and express concern without judgment. Remind them the abuse is not their fault and they are not alone. Ask questions about how you can help and provide options for seeking supportive services.

If you feel unsafe at home or in your relationship, help is always available. You do not have to be in a crisis to access advocacy and clinical services. Two reporting options are available if you are experiencing domestic abuse. Unrestricted Reporting includes law enforcement and command involvement, while Restricted Reporting does not.

The Marine Corps Family Advocacy Program is committed to supporting Marines and their families impacted by domestic abuse through clinical, advocacy, and supportive services. Help is also available at the National Domestic Violence Hotline (800-799-7233) and Military OneSource at WWW.MILITARYONESOURCE.MIL.

To show support for the 2021 Domestic Violence Prevention Month, the Marine Corps community will participate in local installation events and activities. The Marine Corps, through participation in these events, will show that it defends and supports victims of domestic abuse. Leadership support of these events is instrumental in making it clear that domestic abuse is incompatible with military values, reduces mission readiness, and will not be tolerated in the Marine Corps.
National Disability Employment Awareness Month

DEOMI 2021 National Disability Employment Awareness Month

This year’s theme is: **America’s Recovery: Powered by Inclusion**

The 2021 Department of Defense (DoD) NDEAM poster depicts a light bulb filled with different gears representing the many diverse individuals in the workforce. The inclusion of these individuals, to include those with disabilities, and the continual ingenuity they have provided, have driven the many innovations that have powered America through its most recent challenges.

The theme, “America’s Recovery: Powered by Inclusion,” also reflects the importance of ensuring that people with disabilities have full access to employment and community involvement during the national recovery from the COVID-19 pandemic. NDEAM is held each October to commemorate the many and varied contributions of people with disabilities to America’s workplaces and economy. Browse our website for ideas and resources for employers, community organizations, state and local governments, advocacy groups and schools to participate in celebrating NDEAM through events and activities centered around the theme of “America’s Recovery: Powered by Inclusion.”

We all should know that diversity makes for rich tapestry, and we must understand that all the threads of tapestry are equal in value no matter what their color.

National Hispanic Heritage Month

DEOMI 2021 National Hispanic Heritage Month

This year’s theme is: **Esperanza: A Celebration of Hispanic Heritage and Hope.**

National Hispanic Heritage Month pays tribute to the generations of Hispanic Americans whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America, and who have positively influenced and enriched our nation and society. The observation was enacted into public law on August 17, 1988, under President Ronald Reagan, since then it has been celebrated from September 15 to October 15.

Cybersecurity Awareness Month Observance

MARADMIN 531/21: October 2021 - Cybersecurity Awareness Month Observance

2021 Theme: Do your part. Be Cyber Smart.

October is National Cybersecurity Awareness Month. Cybersecurity is a Marine Corps priority and this month presents an opportunity for all personnel to access resources online to better equip themselves against the hazards posed by cyber threat actors with malicious intent. Safeguarding and increasing the resiliency of an ever expanding array of information technologies, at work and at home, is a vast undertaking that requires a whole of force effort. Make your actions count!

2. Our adversaries are online every day seeking to exploit vulnerabilities that provide them advantage in the information environment. The network is vital to our ability to compete in the information environment, and as part of Force Design 2030, we are modernizing its capabilities to deliver greater advantage. The Marine Corps team is online every day, using formidable cyber forces and advanced technologies to defend against an unrelenting cascade of potential cyber threats. However, given the magnitude of the problem we face, even more is required. Through individual action online, every member of the Marine Corps team can contribute to the fight.

3. Raising Marine Corps wide cybersecurity awareness and improving workforce cyber knowledge, skills and abilities can help ensure that user actions support – rather than diminish – implemented threat protections. Users who know and understand the cybersecurity actions expected of them are prepared and their behavior online provides key advantage to our defenses against malicious activity. Individual actions matter, and what each member of the Marine Corps team does online can either support or detract from efforts by our cyber professionals in the fight every day.

4. This year’s 2021 Cybersecurity Awareness Month overall theme is “Do your part. Be Cyber Smart.” Take time during October to visit Marine Corps and other official government media channels to view cybersecurity campaign content to improve your knowledge, skills and abilities on topics relevant to your information technology use – at work and at home. Campaign content will highlight a different theme each week:

a. Week One: You + the threat to OPSEC.
b. Week Two: You + the threat in the office.
c. Week Three: You + the threat outside the office.
d. Week Four: The threat beyond you.

5. As the Marine Corps and our Nation’s investment in information technologies builds competitive advantage, only a whole of force cybersecurity effort is capable of protecting that advantage. Adding the support of hundreds of thousands of cybersecurity-aware users to a network cybersecurity defense makes it more capable than ever before of impeding threats that may compromise our investments and abilities. The Marine Corps appreciates your commitment and dedication to improving your cybersecurity readiness. Your knowledge and actions online, whether at work or at home have never been more vital to mission success.

S-1: Flag Request Form

Within the S-1, retirement flags are flown the first full week of each month excluding weekends, holidays, and during inclement weather. November, as many know, is a popular month, and with many requests for 10 November, the Marine Corps birthday. The S-1 had flown over 100 flags last year and in order to prevent an excess of last minute requests, we ask that all request be submitted NLT 2 November 2021.

The same rules apply if the member is within the battalion and retiring, we will provide the flag however, if they do not we request a flag to be provided. Please forward the completed request form to our OMB at hnhl_s1@usmc.mil or walk in the form to the S-1 at building 29 room 200.

Click here to view the updated Flag request form.

COVID Vaccine Update:

**MARADMIN 462/21** was published on 1 September 2021, mandating all Marines be fully vaccinated within 90 days for active duty and 120 days for Reserve Component Marines. Toys for Tots at Henderson Hall

The mission of the Marine Toys for Tots Foundation is to assist the U. S. Marine Corps in providing a tangible sign of hope to economically disadvantaged children at Christmas. This assistance includes providing day-to-day leadership and oversight of the Program, raising funds to provide toys to supplement the collections of local Toys for Tots Campaigns, to provide promotional and support material and defray the costs of conducting annual Toys for Tots Campaigns. Other Foundation support includes providing administrative, advisory, financial, logistic and promotional support to local Toys for Tots Coordinators; managing funds raised and monies donated based on the use of Toys for Tots name or logo; providing other support the Marine Corps, as a federal agency, cannot provide; and conducting public education and information programs about Toys for Tots that call the general public to action in support of this patriotic community action program.

Infant Massage

Join us for a FREE Infant Massage class series for military families.

October 27, 2021
10 a.m—11:30 a.m
Henderson Hall Chapel

Whether it’s to soothe a little one to Dreamland, ease a gassy belly, or calm a fussy baby, a gentle massage can work wonders — and the power is in your tender touch.

Of the five senses, touch is the one that’s most developed at birth. Research suggests that infant massage has enormous benefits for helping babies grow and thrive including:

• Easing tummy troubles
• Boosting muscle development
• Helping soothe to sleep
• What’s more, giving your baby a massage can help you find your own sense of calm! Infant massage will be taught over a span of 4 weeks, with instructors demonstrating on dolls.
