JBM-HH Face Mask Update

According to the Centers for Disease Control and Prevention, Washington D.C. and Arlington County are now “substantial” transmission areas for COVID-19 and the Delta variant. Face coverings are now required in all indoor settings on Myer, McNair and Henderson Hall – regardless of vaccination status. The mask mandate remains in place for all non vaccinated individuals – indoors and outdoors.

JBM-HH remains at Health Protection Condition Bravo. We continue to be focused on protecting the force, preserving readiness and mitigating the risk of transmission among personnel.

S-3 Training: PFT Reconciliation, CFT schedule and more...

**MARADMIN 442/21** reiterates the requirement for all military and civilian personnel with government computer and network access to complete FY2021 cyber awareness training. Please see the MARADMIN for more details and instructions on completing the training.

****Forthcoming Changes to the Physical Fitness Test (PFT): **MARADMIN 404/21**

- Starting 1 January 2022, time required to achieve the maximum points on the plank will be 3 minutes and 45 seconds. The time required to achieve the minimum points on the plank will be 1 minute and 10 seconds.
- Effective 1 January 2023, the plank will replace the abdominal crunch for the PFT.
- There is one scoring table for both male and female Marines.
- MCO 6100.13A W/CH 3 will be revised to reflect this change.
- DVIDS - Video - PFT Plank Instructional video (dvidshub.net)

**CFT Schedule:** All CFTs will be conducted at the Joint Base Myers – Henderson Hall LZ located adjacent to the CDC and AFFES Exchange.

- **Sep:** 10, 24 (at 0700)
- **Oct:** 5-8, 22, 30 (at 0800)
- **Nov:** 4, 19 (at 0800)
- **Dec:** 3, 10, 15-17 (at 0800)

Command Physical Training Representative (CPTR)/Monitor Briefs are held on the 2nd Tuesday of each month at 0900 in the S-3 Conference Room.

**CFTs**

- Little known fact. IAW MCO 6100.13A pg 1-5 states “Marines who did not take a PFT/PPFT or CFT/PCFT for the semiannual/annual requirement due to physical/medical reasons, will be administered a PFT/CFT no less than 30 days and no more than 90 days after return to full duty.” Failure to complete this requirement means your Code 5 medical exemption goes away and you receive a RDNT which has adverse effects for promotion, schools, etc. We will be sending hit lists to all Marines who did not take the CFT due to light duty chits. If you are on Limited Duty, you are totally exempt.

- If you run a CFT/PFT without a verified PHA or run a CFT/PFT with an expired PHA, H&S Bn S-3 will not run the score and you will have to run the CFT/PFT again after completing your PHA. (See MCO 6100.13A Pg 2-2 Chapter 2, 4.a and Pg 3-1 Chapter 3, 4.a).

- Command Physical Training Representative (CPTR)/Monitor Briefs are held on the second Tuesday of the month at 0900 in the S-3 Conference Room. This is the opportunity for sections to add CPTRs to replace those that have PCS’d and to receive any updates to the PFT/CFT course and process at H&S Bn.

101 Days of Summer Safety Campaign 2021

Marines, Sailors, Civilians and family members of Henderson Hall, Memorial Day weekend marks the beginning of the Marine Corps “101 Critical Days of Summer Safety campaign” (May 28 - September 6). The goal of this campaign is to remind Marines and sailors of their responsibility to make the right decisions and manage risk every day, both on and off duty. Typically, we would gather all Marines here at the Battalion to discuss summer safety measures and touch on other important topics such as, Suicide awareness, substance abuse etc. however, we are still challenged with gathering limitations. Therefore, our command team has put together another round of virtual presentations.

I ask you to pause to review these presentations. The presentations include, Summer Safety Tips, Suicide Awareness, Ms. Brittany Morrow “Experiences of a Crash Test Dummy” and presentations from three local inmates who are/were incarcerated at Prince William County Adult Detention Center. You may view all these presentations from both the Command Safety web page or our Command Information Web App under the 101 Days of Summer icon.

Compassion

Ever watch those “the dodo” videos? They usually show an animal in an urgent state of need and tell the story about someone who had compassion on that animal to rescue it and nurse it back to health. Puppies with tetanus limbs locked stiff, turtles with infected shells, dogs with mange so bad they are nearly bald. For animal lovers, these stories are heart-breaking as they show you a desperate creature in obvious agony that struggles to accept the aid of a kind human taking compassion on them. Sometimes I wonder how many people drove by that animal, unaware or oblivious to the need. Perhaps they were jaded by the many other animals they have seen and have become calloused to the need so they are not affected by it.

Similarly, how many times have we passed by people we see in an obvious state of need? What would a simple act of kindness do for a person or a family desperate for compassion? “Kindness in action” is how some have described compassion. Kindness is the actionable sum of many fruits a person yields in their life. Love, joy, peace, patience, goodness, gentleness, and self-control – all these internal qualities can best be seen in the actions of a person who is kind. When a kind person sees a need – their compassion drives them to do something about it. How do you show compassion to those you come in contact with? A simple act of kindness, driven by compassion could save a life burdened by the cares and concerns of this world. In my experience, a spiritually fit person will also be a kind person.

To discuss this or anything else, your Chaplain is available in person or virtually. Please call (703) 614-9280 or stop in to our building 29 chapel to schedule an appointment, or email: jonathan.maruszewski@usmc.mil.
