The Maintaining Internal Systems and Strengthening Integrated Outside Networks (MISSION) Act signed into law on June 6, 2018, by President Donald Trump contains sought after changes to the Veterans Access, Choice and Accountability (Choice) Act of 2014. Focusing on the quality and availability of health care for veterans, the revamped law streamlines the VA’s Community Care Programs, improves VA healthcare delivery, and expands the VA Caregiver Program.

- Consolidates seven VA community care programs into one streamlined program.
- Removes arbitrary 30-day/40-mile barriers to veterans’ care in the community.
- Authorsizes access to walk-in community clinics for enrolled veterans who have previously used VA healthcare services in the last two years.
- Keeps the cost of community care in line with the cost of VA health care to ensure a veteran does not pay more for outside care.
- Requires the VA to monitor the program and report to Congress on the care provided to veterans.
- Requires the VA to establish and submit to Congress a strategy to ensure all VA and community care programs are operating efficiently and effectively based on a number of factors including veterans’ satisfaction, access guidelines, and quality standards.
- Strengthens the process for VA and partnering health care providers who prescribe opioids to veterans.

**Refines Community Care Programs**

**Improves VA Healthcare Delivery**

- Removes barriers for VA healthcare professionals to practice telemedicine.
- Strengthens peer-to-peer support for veterans undergoing care for trauma or located in rural areas.
- Establishes mobile deployment teams for underserved and rural facilities to provide specialized and routine health care.
- Allows the VA to provide transplant procedures on a live donor.
- Allows the VA to modernize assets and infrastructure.

**Expands Caregivers**

- Expands eligibility for VA’s Caregiver Program to veterans of all generations.
- Requires the VA to implement an information technology system to better support, assess, and monitor the program.
Additionally, the MISSION ACT:

- Creates a new process for reviewing VA’s assets and disposing of under-utilized, outdated, or vacant facilities.
- Creates an education program for veterans about their health care options and a training program for VA employees and contractors to better understand how to administer non-VA health programs.
- Establishes a scholarship program and a specialty education loan repayment program to better recruit VA doctors, dentists, and other health professionals.
- Requires VA to make information public about its vacancies, separation actions, new hires, and other personnel actions.
New Medicare cards are in the mail

Your new card will have a new Medicare Number that is unique to you, instead of your Social Security Number. This will help to protect your identity.

3 things to know

1. Your new card will automatically come to you. You don't need to do anything as long as your address is up to date. If you need to update your address, visit your My Social Security account: https://www.ssa.gov/myaccount/.

2. Once you get your new Medicare card, destroy your old Medicare card and start using your new card right away.

3. Your new Medicare Number is a unique combination of numbers and letters. Your new number uses numbers 0 thru 9. The letters S, L, O, I, B, and Z are never used.

Watch out for scams

Scam artists may try to get personal information (like your current Medicare Number) by contacting you about your new card.

If someone asks you for your information, for money, or threatens to cancel your health benefits if you don’t share your personal information, hang up and call 1-800-MEDICARE (1-800-633-4227) to report.

If you want to know when new cards start mailing to your area, visit Medicare.gov/NewCard, and sign up to get email alerts from Medicare.

BEWARE: Cancer Screening Kit Scam

Please be aware of a telephone scam affecting TRICARE beneficiaries in which callers are trying to sell cancer screening kits. The calls from this scam operation have come from "(516) 253-2565," however, other numbers may be used. It's been reported the callers have a considerable amount of personal identifiable information, which could trick beneficiaries into thinking the call is real. Remember – TRICARE does not call beneficiaries to offer or sell services. You should not release any personal identifiable information, such as birth date, Social Security number, banking or credit card information to unknown sources.

For additional information on fraud and abuse reporting, visit Tricare’s Reporting Fraud and Abuse page and health.mil/fraud.
RETIREE APPRECIATION DAYS are held throughout the year at various installations across the United States and Europe. Retirees and their family members are offered information on benefits and services, along with opportunities to renew acquaintances and their ID Cards.

Note to Reunion Planners: Send your reunion events as soon as possible to our organizational mailbox (smb.manpower.mmsr6@usmc.mil) to ensure timely inclusion in this publication. We apologize for the inconvenience with any delayed or missed events due to an unforeseen change in the distribution of this publication. Visit the MCCS web site (http://www.usmc-mccs.org/reunion/) for information on how to organize your reunion and lists of upcoming events.
Population growth, aging, and price increases for medical goods and services drive many health care costs in the U.S. In any given year, these price increases are related to rising drug costs, using new medical technology, increasing provider rates or other factors.

In response, the Centers for Medicare & Medicaid Services, which tracks health care costs for the federal government, estimates health care expenditures to grow 5.5 percent each year through 2026.

TRICARE is not immune to these cost increases that vary and change annually. On Jan. 1, 2018, the Defense Health Agency (DHA) adjusted TRICARE costs. The National Defense Authorization Act of 2017 set some of these rates. Others were based on unique factors, like the annual cost of living adjustment or average costs of covered health care services.

Near the end of 2017, with the help of several military and veteran service organizations, DHA was able to recalculate and correct costs before Jan. 1, lowering 2018 Tricare patient costs for several types of care by $3 to $8. However, other costs increased, like the retiree specialty mental health outpatient copayment, which changed from $12 to $30.

As always, TRICARE costs depend on your plan and who you are (for example, whether you are an active duty family member or retiree). To make managing your health costs more predictable and transparent, DHA introduced more copayments under the new TRICARE Select program when using a TRICARE network provider. Copayments are fixed-fees; they let you know the out-of-pocket cost of a covered service before receiving a bill.

Visit the TRICARE website to view health plan costs and to download a detailed Costs and Fees Sheet at: https://tricare.mil/publications.
The Marine Corps wishes to extend heartfelt sympathy to the loved ones and friends of our fallen comrades. Because of the Privacy Act, we cannot release addresses of the next of kin. The following list includes the Marine’s name, last grade held that was reported to the Defense Finance and Accounting Service, month and year of retirement, and month and year of death.

**Note:** In an effort to reduce erroneous listings, Semper Fidelis will only announce deaths that have been confirmed from DFAS. Telephonic reporting of deaths to MMSR-6 are first confirmed before posted in this column.

TAPS
The Marine Corps wishes to extend heartfelt sympathy to the loved ones and friends of our fallen comrades. Because of the Privacy Act, we cannot release addresses of the next of kin. The following list includes the Marine’s name, last grade held that was reported to the Defense Finance and Accounting Service, month and year of retirement, and month and year of death.

Note: In an effort to reduce erroneous listings, Semper Fidelis will only announce deaths that have been confirmed from DFAS. Telephonic reporting of deaths to MMSR-6 are first confirmed before posted in this column.

FREE BROCHURE HELPS TRAVELERS FIND SAFE DENTAL CARE ABROAD

Travelers planning a trip outside the United States can find advice on seeking safe dental care abroad in a new brochure available from the Centers for Disease Control and Prevention (CDCP) and the Organization for Safety and Asepsis Procedures (OSAP).

"The Traveler's Guide to Safe Dental Care" provides guidance on preventive measures travelers can take before leaving home to minimize the potential of a dental emergency. It also features criteria for selecting a dental professional abroad if an emergency arises. The guide provides a series of questions travelers can ask to determine if an overseas dental office uses appropriate precautions to prevent disease transmission, such as:

- Do staff members wash their hands with soap between patient visits?
- Do staff members wear gloves for all procedures?
- Are new needles used for each patient?
- Is sterile water used for surgical procedures?

Copies of "The Traveler's Guide to Safe Dental Care" are available from OSAP by calling (800) 298-6727. For more information, visit the OSAP web site at https://www.osap.org/page/TravelersGuide?

REMINDER NOTE

Beginning on January 1, 2019, the TRICARE Retiree Dental Plan (TRDP) will be replaced by the Federal Employees Dental and Vision Insurance Program (FEDVIP) which offers dental benefits comparable to the TRDP and a choice of ten dental carriers including Delta Dental. Enrollment in the FEDVIP will begin November 12, 2018 and run through December 10, 2018. You must select a FEDVIP dental plan to continue your dental care benefits.

Under the FEDVIP program, there are no waiting periods (except for orthodontics in most plans), and you will receive your full FEDVIP benefits beginning on January 1, 2019 with whichever FEDVIP plan you select during the November/December 2018 open season.

To find more information on FEDVIP please visit TRICARE.benefeds.com
This November marks 100 years since the end of “The Great War.” When Germany signed the armistice agreement in France on 11 November 1918, nations throughout the world celebrated as four years of brutal fighting and unimaginable loss and destruction came to an end. A major turning point in World War I occurred on a 200-acre wooded stretch of French countryside called Belleau Wood. For 20 days in June 1918, American and Allied forces fought valiantly there. Thousands made the ultimate sacrifice taking a final stand for freedom on that hallowed ground.

For our Corps, Belleau Wood has become a symbol of Marine courage and tenacity. Many consider this battle the birth of the modern day Marine Corps. Today, we pause to honor the Marines who fought at Belleau Wood a century ago. We pay highest tribute to the sacrifices they made and the remarkable warrior spirit they embodied. Few battles bond Marines so tightly to our Corps’ history. It is a great privilege to carry on the legacy Marines forged at Belleau Wood. May we never forget the price of freedom and the warriors who have paid that price in full.

Semper Fidelis,
Robert B. Neller, General, U.S. Marine Corps, Commandant of the Marine Corps
Your Military Identification Card

Two Forms of Identification Are Now Required:
To replace or renew your military ID card, two forms of identification are required:

1. **A VALID PHOTO ID.** Acceptable photo identification includes a driver’s license, valid military ID card, valid passport or permanent resident alien card. **All photo IDs must be current; expired photo IDs are not accepted.**
2. **A SECONDARY ID.** A secondary ID may include one of the photo IDs listed above or a Social Security card (not a Medicare card), a voter registration card, birth certificate, or student ID if you are a college student. To avoid delays, call your nearest ID card center for hours of operation and availability.

Military ID Cards for Family Members:
Indefinite military ID cards are now issued to eligible family members who are 75 or older.
The 2007 National Defense Authorization Act authorized the issuance of indefinite military ID cards for incapacitated dependent children over 21. To qualify for an indefinite ID card, a determination of permanent incapacitation must be made by the Bureau of Medicine and Surgery and a current financial dependency determination (over 50%) is required. **A financial redetermination will also be required every four years.**

Dependent wards, parents and parents-in-law, including those over 75 with permanent military ID cards will also require a financial redetermination every four years.

Full-time students over 21, may be eligible for military ID card benefits until 23 provided they are enrolled full-time in a college or university and are dependent on the member for over 50% of their financial support. It is the service member’s responsibility to ensure eligible family members are updated in DEERS and to notify DEERS of any changes in eligibility. For more information, call MMSR-6 at 1-800-336-4649 or (703) 784-9310.

The Retired Marine’s Military ID Card:
When a military service member retires, the ID card issued will have an expiration date on the front and back, coinciding with his/her 65th birthday. **ID cards will be replaced if they are lost, stolen, or damaged; they will also be replaced for a name change due to marriage, divorce, or to replace an older version of the ID card.** If applicable, divorce decrees and/or marriage certificates may be required. A retired member’s ID card must also be replaced when turning 65 and enrolling in Medicare Part B. With Medicare Part B enrollment, a retired Marine is automatically enrolled in TRICARE for Life, which will require updating the medical eligibility dates on the back of the ID card. If the dates on the back of your ID card have expired, replace the ID card (and have the Medicare Part B card with you when updating the military ID card).

Eligibility for a Military ID Card By Mail:
If you are requesting to have a military identification card by mail, you must have a notary’s signature on the back of the photograph. According to Air Force Instruction 36-3026 (17 June 2009):

**PORTRAIT-STYLE PHOTOGRAPHS, 8X10 OR 5X7, REQUIRE SIGNATURE NOTARIZATION ON THE BACK AND INCLUDE WEIGHT, HEIGHT, EYE COLOR, AND HAIR COLOR.**

You must live more than 300 miles from a military ID card center. Include a statement why you are unable to travel to an ID card center. Submit a copy of your current military ID card (front and back), a photocopy of your driver’s license, and either your birth certificate, or Social Security card, to HQMC (MFP-1), 2008 Elliot Road, Quantico, VA 22134-5013.

Steps to Take When an Annuitant Dies

ELIGIBILITY FOR SURVIVOR BENEFIT PLAN ANNUITY PAY ENDS WITH THE DEATH OF THE ANNUITANT (BENEFICIARY)

Prompt reporting of a deceased military annuitant’s death can help avoid delay and prevent possible financial hardship for the surviving family members or executors, who will be required to return any unearned payments of the decedent’s annuity pay if payment is erroneously received.

Follow these steps to report the death of an annuitant:
1. If the survivor is an SBP annuitant, call DFAS at 1-800-321-1080 to report the death and stop annuity pay.
2. Mail or fax a copy of the annuitant’s death certificate to:

   DFAS - U.S. MILITARY ANNUITANT PAY
   8899 E. 56th Street
   Indianapolis, IN 46249-1300
   Fax: 1-800-982-8459

3. Inform any financial institutions receiving payments about the death of the annuitant (Provide a copy of the death certificate when it becomes available).

4. If applicable, contact the following agencies/departments immediately to report the death:
   - Social Security Administration: 1-800-772-1213
     www.ssa.gov
   - Defense Enrollment Eligibility Reporting System: 1-800-538-9552
   - Department of Veterans Affairs: 1-800-827-1000 (annuitants in receipt of Dependency

If you believe you are the victim of an error or injustice which affects your military record, you may apply for a Correction of Military Records by completing and submitting a DD Form 149, Application for Correction of Military Record. Examples of correction include: upgraded discharge, promotions, retired pay, household goods, pay date change, bonus, and MGIB programs. DFAS pays military members when the Board for Corrections of Naval Records (BCNR) rule in their favor. If you received a decision from the BCNR and you do not agree with it, write the Board and explain your reasoning. Reference the appropriate address on page 2 of the DD Form 149. If you would like to check the status of your request contact the BCNR directly at (703) 604-6884 or 6885 (Navy/Marine Corps). If you believe DFAS paid you incorrectly for your Correction of Record, provide documentation with a handwritten signature explaining why you are protesting the amount to:

   DFAS-IN
   Dept. 3330, Attn: COR/Claims
   8899 East 56th Street
   Indianapolis, IN 46249-3300

   (Hours: 8:30 am to 3:30 pm, EST)
Steps to Take When a Retired Marine Dies

1. REPORT THE DEATH TO DFAS at 1-888-332-7411 to stop retirement pay to avoid indebtedness. If the retired Marine was receiving pay from another source due to a disability from the VA or civil service retirement from the Office of Personnel Management, contact that agency to return the payment. If you fail to do this, you will have to repay it later. You may also report the death online at www.dfas.mil/retiredmilitary/forms.html. Additional information from DFAS is available at www.dfas.mil/retiredmilitary/survivors/Retiree-death.html.

   NOTE: DFAS will forward a confirmed death listing to Headquarters, U.S. Marine Corps (MMSR-6) for inclusion in an upcoming issue of this newsletter under the Taps column.

2. REPORT SURVIVOR BENEFIT PLAN ELECTION, if applicable. Designated annuitants will receive notification from DFAS if the deceased retired Marine elected SBP. If you are uncertain of whether an election was made, call DFAS at 1-800-321-1080.

3. UPDATE YOUR MILITARY ID CARD. Your status has changed, and as the survivor of a deceased Marine, your ID card must be updated to reflect it due to the Marine’s death. Access your nearest ID site at www.dmdc.osd.mil/rsl or call HQMC (MMSR-6) at 1-800-336-4649 or (703) 784-9310 to obtain the three sites closest to you.

4. NOTIFY THE SOCIAL SECURITY ADMINISTRATION at 1-800-SSA-1213 (www.ssa.gov) to apply for the $255 death benefit, if applicable.

5. CONTACT THE VA at 1-800-827-1000 FOR BURIAL AND OTHER VA BENEFITS, such as VA disability payments. While the VA does not provide burial benefits for annuitants, the annuitant may be eligible for burial in a military cemetery. A copy of the sponsor’s DD 214 is required. Visit www.va.gov for more information.
