A message from the Commandant and Sergeant Major of the Marine Corps

7 September 2021

Marines,

Over the past two weeks we have had the opportunity to visit with some of your brothers and sisters recently wounded in Afghanistan. As anyone who knows Marines would expect, every one of them is eager to get back to their units as quickly as possible. All are positive, optimistic, and proud of their recent service. They should be. These Marines, with Sailors, Soldiers, and Airmen, helped nearly 130,000 people find a better, freer life in the largest non-combatant evacuation operation in history.

They also grieve for the Marines who did not make it home. We all do. As we mark the 20th anniversary of 9/11, we remember Marines like these – like you – who were willing to go to the hard places at the hard times on behalf of our country. In Afghanistan, like so many other theaters, you served honorably and courageously, doing all that was asked of you and more. From Camp Rhino in 2001, to Kabul in 2021, Marines made a difference.

While Afghanistan may be fresh in our minds, the impact of your service over these last two decades extends far beyond a country, region, or mission set. Since 9/11, you have deployed to every clime and place, distinguishing yourselves in both combat and crisis. From battlefields in Afghanistan, Iraq, Libya, and Syria, to counterterrorism support in Somalia and the Philippines, to relief operations in Indonesia, Thailand, Japan, Haiti, Nepal, Pakistan, and Liberia, to embassy reinforcement in the Central African Republic and Yemen, your courage, sacrifice, and example has been exemplary. You demonstrated to friend and foe alike that there is truly “No better friend, no worse enemy” than a United States Marine.

In the hours and days after the attacks of 9/11, an extraordinary number of Americans raised their right hands and took an oath to support and defend the Constitution. Many are now retiring, having spent their entire careers in the same conflict – unprecedented in the history of our Corps. On this anniversary, whether you have served for 20 years or 20 days, we encourage you to join your fellow Americans in quiet remembrance. Reflect on the sacrifice of others, connect with your fellow Marines, shipmates, and their families, and remain steadfast in your commitment to country and Corps. America expects her Marines to be most ready when the Nation is least ready – a solemn duty we all must fulfill while we have the watch.

Semper Fidelis,

David H. Berger
General, U.S. Marine Corps

Talking About Afghanistan

We’re Here for You

Current events in Afghanistan have left many in our community feeling understandably upset. The mental, physical and emotional wounds are deep. You may be wondering about the impact of your sacrifice and service, or the service of those who deployed there.

You are not alone.

Remember that what’s happening now doesn’t minimize or negate the experiences of all who served there. Countless answered the call of duty and did what was asked of them. Service is never for naught. Think about the times when valor and courage changed lives for the better. Or, focus on the present and what feels meaningful to you in this moment.

If you’re feeling this way, it will take time to process your feelings. Talking can be very therapeutic, whether it’s to a local chaplain, psychologist, or someone you served with in the military.

Do what feels right for you.

There isn’t one way to think or feel or act. The important thing is to take advantage of available mental health care resources. Remember that this is one moment in time and regardless of what comes next, we'll get through it together.

Need to Talk?
WE’RE HERE FOR YOU.

THE MILITARY HEALTH SYSTEM OFFERS MANY MENTAL HEALTH RESOURCES. REMEMBER, YOU ARE NOT ALONE.

VA Resources

The VA addresses the events unfolding in Afghanistan and encourages veterans to talk with friends and families, reach out to battle buddies, connect with a peer-to-peer network, or sign up for mental health services. View a list of common reactions and coping advice.

Veterans oftentimes receive information about the Department of Veterans Affairs in a fragmented way. This can create confusion and a disjointed experience for veterans and their families as they attempt to understand and access VA’s many different services and benefits. The VA has produced the VA Welcome Kit to specifically address this challenge.

Since assuming his current duties on February 8, 2021, Secretary of Veterans Affairs Denis R. McDonough has added customer experience (CX) principles to VA’s longstanding “I CARE” (Integrity, Commitment, Advocacy, Respect and Excellence) core values.

In support of the Secretary’s intent, the VA’s Veterans Experience Office (VEO) under the direction of Chief Experience Officer John W. Boerstler, produces the VA Welcome Kit each year and distributes it in conjunction with Veterans Day. The product is specifically designed to make it easier for service members, veterans, family members, caregivers, and survivors to understand the many different benefits and services offered by VA.

“Veterans remain at the center of every decision we make. It is the responsibility of every [VA] employee to deliver exceptional outcomes and experiences,” said Secretary McDonough. “Our individual and organizational commitment to delivering exceptional experiences in our service delivery continues.”

The VA Welcome Kit provides pertinent information and helps overcome the natural apprehension most people experience when interacting with a large, complex organization like VA for the first time. It is written in an easy-to-understand and concise manner and includes information on popular VA benefits, including applying for VA healthcare, a disability rating, education benefits, etc. The VA Welcome Kit highlights key VA benefits and services available that can positively impact quality of life and explains how and where to go to access those benefits and services.

The VA Welcome Kit also includes handy one-page (front and back) Quick Start Guides (QSGs) focused on specific topics of interest to service members, veterans, family members, caregivers, and survivors validated through empirical and anecdotal field research. The Welcome Kit is regularly updated online as new information becomes available.

Within VA, the Benefits Experience (BX) Directorate is assigned responsibility for producing the VA Welcome Kit. BX is a diverse, dedicated, and effective team comprised of veterans (including several Retired Soldiers and four combat veterans of Operation Iraqi Freedom) and other highly qualified men and women with many years of VA experience in different service lines. BX personnel routinely interact with veterans and family members virtually and at different venues and relies on those interactions and field research when developing content for, and identifying ways to improve, the Welcome Kit.

The VA Welcome Kit can be downloaded and printed directly from the website https://www.va.gov/welcome-kit. General feedback and suggestions on ways VA can improve the Welcome Kit can be sent directly to vawelcomekit@va.gov. A YouTube video on the Welcome Kit can be viewed at https://youtu.be/DZvITWcWUtE.

Mike Galloucis is the Executive Director of VA’s Benefit Experience Directorate and a retired Army colonel who served 30 years on active duty. He commanded an Army brigade in Iraq for 15 months in 2006-07.
VETERANS AFFAIRS NEWS: AIRBORNE HAZARDS AND OPEN BURN PIT REGISTRY

Did you know the Department of Veterans Affairs (VA) collects, analyzes, and publishes data on health conditions that may be related to environmental exposures experienced during deployment? The Airborne Hazards and Open Burn Pit Registry is a secure database of health information voluntarily provided by service members and veterans, and is instrumental in enabling the VA to improve care and services for veterans.

The registry consists of an online questionnaire followed by an optional, but recommended, medical evaluation. The questionnaire helps you document your deployments and exposures to airborne hazards (which include sand, dust, smoke from oil well fires, and more—not just burn pits) to create a snapshot of your health. Upon completing the questionnaire, you are encouraged to discuss your exposure history and health with a provider in a free, optional medical evaluation. Participants also receive information from VA about registry updates and ongoing health studies.

Service members and veterans who were deployed in the Southwest Asia theater of operations on or after August 2, 1990, or who were stationed in Afghanistan or Djibouti on or after September 11, 2001, are eligible to sign up for the Airborne Hazards and Open Burn Pit Registry. These regions include the following countries, bodies of water, and airspace above these locations:

- Afghanistan
- Bahrain
- Djibouti
- Gulf of Aden
- Gulf of Oman
- Iraq
- Kuwait
- Oman
- Qatar
- Saudi Arabia
- United Arab Emirates
- Waters of the Arabian Sea, Persian Gulf, and Red Sea

If you meet these eligibility criteria, please consider joining the registry to document your exposure and health information and support the health of other service members and veterans.

“In addition to encouraging eligible service members and veterans to register, we are working across the Military Health System and in collaboration with VA to make it easier for health care providers to access patients’ environmental exposure data and assess their health concerns,” said Steve Jones, Force Readiness and Health Assurance Policy director and retired Army Environmental Science and Engineering Officer. “Through all these efforts, we’ll continue to collect critical data and gain a better understanding of how airborne hazards impact our troops’ short and long-term health.”

Need more information? Check out Health.mil/AHBurnPitRegistry for a brief informational video, frequently asked questions, and other helpful materials. Please note that the registry is completely voluntary. You do not need to be enrolled in VA health care to participate, and the registry does not affect access to VA health care or compensation benefits.

Your Health Is Important

When TRICARE tried to reach a group of retirees with critical information recently, more than 6 out of 10 had incorrect information in DEERS. Is your information correct?

**Why do you need to update your information in DEERS?**

Your information must be correct in DEERS so that:

- You and your family maintain access to your medical benefits
- Your healthcare team can contact you with critical healthcare and appointment information
- TRICARE can reach you with vital authorization, claims, and enrollment information
- Home delivery prescriptions can be delivered properly

**When do you need to update DEERS?**

Beneficiaries need to update DEERS as soon as possible anytime they move, change contact information, or experience a Qualifying Life Event (QLE).

A beneficiary must update DEERS whenever they experience the following (this list is not all-inclusive):

- Change in sponsor’s status
- Retiring or separating
- Activating or deactivating
- Having a baby or adopting
- Moving to a new location for any reason
- Change in a student’s full-time enrollment status
- Becoming eligible for Medicare
- Death of sponsor or family member

If a beneficiary is enrolled in any TRICARE plan (e.g., TRICARE Prime, TRICARE Select, TRICARE Reserve Select, TRICARE Retired Reserve or TRICARE Young Adult), remind them to also change their address and other personal information with their regional contractor.

**How do you update DEERS?**

- To learn how to update DEERS, visit [https://www.TRICARE.mil/DEERS](https://www.TRICARE.mil/DEERS)
- Or update contact information on milConnect at [https://milconnect.dmdc.osd.mil/](https://milconnect.dmdc.osd.mil/)
- Call 1-800-538-9552 (TTY/TDD: 1-866-363-2883)
- Fax updates to 1-800-336-4416 (Primary) or 1-502-335-9980 (Alternate)

- To add or remove family members, go to a local ID card office.
Get Ready...It’s Coming...TRICARE Open Season...

TRICARE Open Season is the annual period when you can enroll in or change your health care coverage for the next year. In 2021, TRICARE Open Season begins November 8, 2021, and ends December 13, 2021. Any enrollment changes you make will go into effect on January 1, 2022. Open season applies to anyone enrolled in or eligible for a TRICARE Prime option or TRICARE Select. Learn more at https://tricare.mil/openseason.

If you’re eligible to participate in TRICARE Open Season, you have three options:

- **Stay in your plan.** If you want to stay in your current TRICARE health plan, you don’t have to re-enroll. You’ll continue in your current health plan through 2022 or as long as you’re eligible.

- **Enroll in a plan.** If you’re eligible for a TRICARE Prime option or TRICARE Select but not enrolled, you can enroll in a plan now.

- **Change plans.** If you’re already enrolled in a TRICARE Prime option or TRICARE Select, you can switch plans and switch between individual and family enrollment.

**What Happens if I Don’t Take Any Action?**
If you aren’t already in a plan and don’t enroll in a plan during open season, you’ll only be eligible for care at a military hospital or clinic if space is available.

**Making Enrollment Changes Outside of Open Season**
Outside of TRICARE Open Season, you can enroll in or change enrollment to TRICARE Prime or TRICARE Select following a Qualifying Life Event (QLE).

A QLE is a certain change in your life, such as marriage, birth of a child, or retirement from active duty, which may mean different TRICARE health plans are available to you and your family members. A TRICARE QLE opens a 90-day period for you to make eligible enrollment changes. A QLE for one family member creates a chance for all eligible family members to make enrollment changes. To learn more, visit www.tricare.mil/lifeevents.

Outside of the Federal Benefits Open Season, you can only enroll in the Federal Employees Dental and Vision Insurance Program (FEDVIP) or make changes to your existing FEDVIP plan if you experience a FEDVIP QLE. Remember, FEDVIP QLEs may be different from the TRICARE QLEs. To learn more, visit BENEFEDS.com.
Retiring service members are considered newly eligible for Federal Employee Dental and Vision Insurance Program (FEDVIP) - the voluntary, enrollee-pay-all dental and vision program available to certain retired uniformed service members, active duty family members, and survivors. FEDVIP replaced the former TRICARE Retiree Dental Program, and it offers supplemental vision coverage for those who are enrolled in a TRICARE health plan.

As you may know, FEDVIP enrollment is not automatic; retiring service members must take action to enroll in FEDVIP. If they do not enroll within 60 days following their retirement date, they must wait to enroll until the next Federal Benefits Open Season. The Federal Benefits Open Season (or open season) is your annual opportunity to enroll in, change, or cancel a FEDVIP dental and/or vision plan. Each year, open season runs from the Monday of the second full work week in November through the Monday of the second full work week in December. Once you enroll in a FEDVIP dental and/or vision plan, your coverage will automatically continue each year. You can make changes to your plan during open season or if you experience a qualifying life event (QLE).

Coverage effective date: If you enroll during open season, your FEDVIP coverage will be effective on January 1, the start of the next plan year.

Mark your calendars for the 2021 Virtual Benefits Fair (VBF). The annual event will be held throughout the Federal Benefits Open Season this fall. The VBF is an online health fair that houses 2022 plan information in a single online location, enabling federal employees to browse exhibits, view and download plan brochures, and connect with program representatives via chat. Last year, more than 43,000 people visited the fair.

Participants in this year’s event include all of the FEDVIP carriers, more than 20 Federal Employees Health Benefits Program carriers, and representatives for both the Federal Long Term Care Insurance Program and the Federal Flexible Spending Account Program. Registering for the VBF will be available online and will allow access to the four live chat days: November 12, November 19, December 1, and December 8. Check here for registration information:

Life-Changing Event? Keep DFAS Informed

DFAS Cleveland - Ensuring your retired pay comes to you accurately and on time is our primary goal at DFAS. To do this, we need your help to keep your account updated.

As a retiree, the sooner you alert DFAS to any change that might affect your pay, the more timely and accurate your pay will be. Keeping your account updated includes making sure your mailing address, email address, banking information, allotments, tax withholding status, and your beneficiary choices are current.

Be sure to report any change of life events as soon as they happen. These life-changing events might include:

- Moving
- Marriage or Remarriage
- Divorce
- Birth or adoption of a child
- Death of a spouse or child

Some changes, especially those regarding Survivor Benefit Plan coverage, have a one-year time limit, so it is very important that you notify DFAS of life-changing events when they happen. When you notify us, be sure to include copies of supporting documents, such as birth or marriage certificates.

If you are making a change to your SBP coverage because of a life event, you can now use the convenient, online askDFAS upload tool on DFAS.mil to submit your DD 2656-6 (Survivor Benefit Plan Election Change Certificate) and supporting documents. And when you submit a DD 2656-6, you’ll get email status notifications to the email you provide in askDFAS, or if you send it by postal mail or fax, to the email in your myPay account.

Keeping your contact information updated is key to staying informed. DFAS occasionally sends out correspondence regarding changes in the law that affect your pay. If your mailing address is not correct and you are not on myPay, we have no way of notifying you about changes. DFAS is also communicating more via email to provide more convenient customer service, and you will be better informed if you have a current email in your myPay account.

The easiest way to keep your account updated is to use myPay. You can use myPay to change your mailing address, your email address, your direct deposit information, some allotments and your tax withholding status. You can also use myPay to verify payment information, including allotment amounts, or tax withholding, or check your Survivor Benefit Plan (SBP) coverage on your RAS.

If you’re not yet using myPay, it’s easy to get started and add your email address for status notifications. We have a handy step-by-step, downloadable “Get Started with myPay” guide available at: https://www.dfas.mil/RetiredMilitary/manage/mypay/

DFAS continues to develop helpful tools and information for you and our website puts it all at your fingertips: https://www.dfas.mil/retiredmilitary.
The Emergency Broadband Benefit provides a discount of up to $50 per month toward broadband services to eligible households. These households can also receive a one-time discount of up to $100 for a laptop, desktop computer, or a tablet (if they contribute more than $10 and less than $50 toward the purchase). The program will end when funds are exhausted, or six months after the Department of Health and Human Services (DHHS) declares an end to the pandemic.

WHO IS ELIGIBLE:
A household is eligible if it meets at least one of the following criteria:

- Has an income that is at or below 135% of the Federal Poverty Guidelines or participates in certain assistance programs, such as SNAP, Medicaid, or Lifeline;

- Approved to receive benefits under the free and reduced-price school lunch program or the school breakfast program, including through the USDA Community Eligibility Provision in the 2019-2020 or 2020-2021 school year;

- Received a Federal Pell Grant during the current award year;

- Experienced a substantial loss of income due to job loss or furlough since February 29, 2020 and the household had a total income in 2020 at or below $99,000 for single filers and $198,000 for joint filers; or meets the eligibility criteria for a participating providers’ existing low-income or COVID-19 program.

HOW TO APPLY:
1) Eligible households can enroll by going to https://getemergencybroadband.org/
2) Eligible households can enroll through an approved provider:
   a. Participating providers can be found at this link:
      https://www.fcc.gov/emergency-broadband-benefit-providers#Texas

The application requires that applicants prove their eligibility by providing information on their household income (i.e. tax returns, benefit statements, etc.), providing information on relevant assistance programs (i.e. SNAP and Medicaid), identity verification, address and, if relevant, proof of substantial loss of income.

### Cold War Recognition Certificate Program

In accordance with section 1084 of the Fiscal Year 1998 National Defense Authorization Act, the Secretary of Defense approved awarding the Cold War Recognition Certificate (CWRC) to all members of the armed forces and qualified federal government civilian personnel who faithfully and honorably served the United States anytime during the Cold War era, which is defined as September 2, 1945, to December 26, 1991.

The United States Army operates the only official site on which to request the CWRC. Any other site offering these certificates or replicas for sale or purchase are not official sites and are not approved or endorsed by the United States Army. The CWRC is available to qualified individuals at no cost.

To apply for a certificate visit: [www.hrc.army.mil/content/Cold%20War%20Recognition%20Certificate%20Program%20Overview](http://www.hrc.army.mil/content/Cold%20War%20Recognition%20Certificate%20Program%20Overview).

2021 marks the centennial of one of the nation’s most important shrines: the Tomb of the Unknown Soldier. One hundred years ago, on November 11, 1921, the United States laid to rest a fallen American hero. In combat, he lost not only his life, but also his identity.

Originally interred in France, where he fell in battle, the World War I Unknown Soldier was returned home to be buried in a tomb at Arlington National Cemetery. Other locations for the tomb were considered. However, Congress selected Arlington, the nation’s premier military cemetery, as the place to construct a tomb in which to bury the Unknown, and to enshrine the memory of all those who have given their lives in service to the United States.

Since 1921, the Tomb has been a place to honor service and sacrifice. It has been - and continues to be - both a site of mourning and a site of commemoration. Arlington National Cemetery and the United States Army are proud to maintain and guard this sacred site, a symbol of the nation’s shared sacrifice.

Charles “Ray” Alexander Jr., Superintendent, Arlington National Cemetery, said: “Our dedicated team has worked for years to prepare for the public to pay their respects at the Tomb in November 2021. This year’s events will include a ceremony during which visitors may place flowers onto the Tomb plaza. This will be the first time in many years that the public will be allowed to walk across the Tomb plaza and honor the Unknowns at their gravesite.”

Throughout this year, Arlington National Cemetery will hold events leading up to the centennial ceremony on November 11, 2021. The public will be able to experience and participate in the commemorative events in many ways, both at the cemetery and virtually.

Steps to Take When an Annuitant Dies

ELIGIBILITY FOR SURVIVOR BENEFIT PLAN ANNUITY PAY ENDS WITH THE DEATH OF THE ANNUITANT (BENEFICIARY)

Prompt reporting of a deceased military annuitant’s death can help avoid delay and prevent possible financial hardship for the surviving family members or executors, who will be required to return any unearned payments of the decedent’s annuity pay if payment is erroneously received.

***While the VA does not provide burial benefits for annuitants, the annuitant may be eligible for burial in a military cemetery.

Follow these steps to report the death of an annuitant:

1. Call DFAS at 1-800-321-1080 to report the death and stop annuity pay.

2. Mail or fax a copy of the annuitant’s death certificate to:
   
   DFAS - U.S. Military Annuitant Pay
   8899 E. 56th Street
   Indianapolis, IN 46249-1300
   Fax: 1-800-982-8459

3. Inform any financial institutions receiving payments about the death of the annuitant. (Provide a copy of the death certificate when it becomes available).

4. If applicable, contact the following agencies/departments immediately to report the death:
   
   - Social Security Administration:
     1-800-772-1213  [www.ssa.gov]
   
   - Defense Enrollment Eligibility Reporting System:
     1-800-538-9552
   
   - Department of Veterans Affairs:
     1-800-827-1000 (annuitants in receipt of Dependency and Indemnity Compensation)
     [www.va.gov]

If you believe you are the victim of an error or injustice which affects your military record, you may apply for a Correction of Military Records by completing and submitting a DD Form 149, Application for Correction of Military Record. Examples of corrections include: upgraded discharge, promotions, retired pay, household goods, pay date change, bonus, and MGIB programs. DFAS pays military members when the Board for Corrections of Naval Records (BCNR) rule in their favor. If you received a decision from the BCNR and you do not agree with it, write the Board and explain your reasoning. Reference the appropriate address on page 2 of the DD Form 149. If you would like to check the status of your request contact the BCNR directly at (703) 604-6884 (Navy/Marine Corps). If you believe DFAS paid you incorrectly for your Correction of Record, provide documentation with a handwritten signature explaining why you are protesting the amount to:

# Steps to Take When a Retired Marine Dies

1. **REPORT THE DEATH TO DFAS at 1-888-332-7411** to stop retirement pay and avoid indebtedness. If the retired Marine was receiving pay from another source due to a disability from the VA or civil service retirement from the Office of Personnel Management, contact that agency to return the payment. If you fail to do this, you will have to repay it later.

For families located overseas, the commercial number is **216-522-5955**, select option 3 to be directed to the appropriate representative.

**NOTE:** DFAS will forward a confirmed death listing to Headquarters, U.S. Marine Corps (MMSR-6) for inclusion in an upcoming issue of this newsletter under the TAPS column.

2. **Within 7-10 business days after reporting the death to DFAS**, you should receive a letter containing the following documents:

   a. SF1174 Claim for Unpaid Compensation of Deceased Member of the Uniformed Service
   b. Annuity account forms and instructions (if the decedent was enrolled in the Survivor Benefit Plan or the Retired Serviceman's Family Protection Plan)
   c. W-4P Withholding Certificate for Pension or Annuity Payments
   d. Direct Deposit form

Complete the forms you received with your letter and return them with a copy of the retiree’s death certificate that includes cause of death to:

Defense Finance and Accounting Service  
U.S. Military Retired Pay  
8899 E 56th Street  
Indianapolis IN 46249-1200

If you need assistance completing your claim forms, please call 800-321-1080.

3. **REPORT SURVIVOR BENEFIT PLAN ELECTION, if applicable.** Designated annuitants will receive notification from DFAS if the deceased retired Marine elected SBP. If you are uncertain whether an election was made, call DFAS at 1-800-321-1080.

4. **UPDATE YOUR MILITARY ID CARD.** Your status has changed, and as the survivor of a deceased Marine, your ID card must be updated to reflect it due to the Marine’s death. Access your nearest ID site at [https://idco.dmdc.osd.mil/idco](https://idco.dmdc.osd.mil/idco) or call HQMC (MMSR-6) at 1-800-336-4649 or (703) 784-9310 to obtain the sites closest to you.

5. **NOTIFY THE SOCIAL SECURITY ADMINISTRATION** at 1-800-SSA-1213 ([www.ssa.gov](http://www.ssa.gov)) to apply for the $255 death benefit, if applicable.

6. **CONTACT THE VA** at 1-800-827-1000 FOR BURIAL AND OTHER VA BENEFITS, such as VA disability payments. A copy of the sponsor’s DD 214 is required. Visit [www.va.gov](http://www.va.gov) for more information.

7. **CONTACT THE U.S. OFFICE OF PERSONNEL MANAGEMENT** at 1-888-767-6738 if the sponsor was receiving civil service pay.
**MILITARY FUNERAL HONORS FOR BURIALS OUTSIDE ARLINGTON NATIONAL CEMETERY (ANC)**

The funeral director (preferred) or a family member can contact the HQMC Military Funeral Honors Section at (866) 826-3628 or (703) 432-9524 to request Military Funeral Honors for a veteran. The funeral director (or family member) must be able to provide the Marine's complete name, SSN, rank, status (retired or veteran), date of birth, date of death, and place of death/interment. In addition, a copy of the Marine's DD-214 needs to be provided for verification of "honorable service". If a DD-214 is not readily available, it can be requested through the National Personnel Records Center in St. Louis, MO. The following link provides additional details:
