

DATA REQUIRED BY THE PRIVACY ACT OF 1974
(5 U. S. C. 552A)

PART A GENERAL

The Marine Corps uses a variety of forms in administering matters related to the individual Marine. Forms are necessary for enlistment and reenlistment, evaluating performance, applying for training and assignments, granting leave, disciplinary action, administering pay, and other purposes. In some instances, these forms involve the collection of personal information from the individual Marine. Information such as home address and telephone number, names and other information on dependents, preference for duty, address on leave, and the individual's Social Security Number are illustrative of the information asked for on forms.

The Privacy Act of 1974 requires that you be informed of the authority, purposes, uses, and effects of not providing information when it is requested from you. In order to eliminate the need for issuing an individual statement each time information is requested from you about matters such as those described, this statement serves as a one-time Privacy Act Statement which is intended to satisfy the requirements of the Privacy Act when forms related to your personnel and pay records are used. If you desire more information about a specific form when it is used, your commanding officer will provide such information upon request.

Pursuant to the Computer Matching and Privacy Protection Act of 1988 (P.L. 100-503), information furnished may or will be subject to verification by computer matching (internally or with another specific agency). The match may be necessary to verify accuracy of data, and to uncover waste, fraud, or abuse in Federal Programs.

PART B - INFORMATION TO BE FURNISHED TO INDIVIDUAL

1. AUTHORITY

Title 5, U.S. Code, Section 301, is the basic authority for maintaining personnel and pay records. Use of Social Security Number as a means of personal identification is authorized by Executive Order 9397 of 23 November 1943.

2. PRINCIPAL PURPOSES

The basic purposes of personnel and pay records are to enable officials and employees of the Marine Corps to efficiently manage personnel resources; to administer pay and allowances; to screen and select individuals for promotion; to provide educational and training programs; to administer appeals, grievances, discipline, litigation, investigations, and adjudication of claims; to administer benefits and entitlements; and to manage retirement and veterans affairs programs. Further information about the purposes and uses of information being requested from can be obtained by consulting the applicable description for system such as the following:

<u>SYSTEM DESCRIPTION</u>	<u>SYSTEM NUMBER</u>
Marine Corps Military Personnel Records System	MMN 00006
Bond and Allotment System	MFD 00004
Joint Uniform Military Pay System/Manpower Management System	MFD 00003

3. ROUTINE USES

Information included in personnel and pay records is used by officials and employees of the Marine Corps in the execution of their official duties. The information is also used under certain conditions by officials and employees elsewhere in the Department of Defense; by other Federal agencies such as the General Accounting Office; Office of Personnel Management; Veterans Administration; the Federal Bureau of Investigation and other Federal, state, and local law enforcement authorities; and the General Services Administration. Information is also furnished to Congressional sources. Your Social Security Number is used as a means of personal identification.

4. MANDATORY OR VOLUNTARY DISCLOSURE AND EFFECT ON INDIVIDUAL OF NOT PROVIDING INFORMATION

Disclosure of information required on forms related to personnel and pay records is mandatory. An individual may, at his or her option, elect not to apply for benefits and services to which entitled (leave, registration of allotments, etc.) but once the individual has made the decision to apply for such benefits the disclosure of information on related forms becomes a mandatory action. Failure to provide requested information could have the effect of denying certain benefits and would hamper the efficient management of an individual's career while in the Marine Corps. Disclosure of your Social Security Number is mandatory.

PART C - STATEMENT OF UNDERSTANDING BY THE INDIVIDUAL

I have read and understand this statement, I understand that I may have the opportunity to review published systems notices and current Marine Corps directives which pertain to forms which I am asked to complete.

Subj: REPORTING SENIOR ASSESSMENT ICO CAPTAIN
USMC

1. As the Assistant Chief of Staff (AC/S), G-3 Operations, for Marine Special Operations Command (MARSOC), I have personally known and observed this Marine for over the last year while she served as the Aide-de-Camp to the MARSOC Commander and as now in her current billet in the G-39, Information Operations Branch.

2. In both billets, it is evident that she is personally invested in the mission and the Marines through her tireless work ethic and genuine interest in the welfare of others. Her positive attitude and professionalism have been recognized and respected across the command.

3. Captain [redacted] has repeatedly demonstrated her skills as a team-builder and critical thinker while exhibiting communication skills and emotional intelligence far beyond her grade. This Marine has a drive for continuous self-improvement and high performance. With her exposure and background gained from our internal MARSOC Congressional Testimony preparation sessions, the opportunities to participate in the office calls and testimony on Capitol Hill, and her leadership experiences from throughout her career, Captain Aguiar is exactly the high-quality candidate we need to serve in this program. With enthusiasm, Captain Tiffany Aguiar has my highest recommendation for acceptance into the Congressional Fellowship program.

4. The point of contact for this is Colonel [redacted] at [redacted].mil@socom.mil or [redacted]

Subj: LETTER OF RECOMMENDATION FOR CONGRESSIONAL FELLOWSHIP ICO
CAPTAIN

1. Captain [redacted] has my strongest recommendation for admission into George Mason University's Master's of Public Policy program and selection into the Congressional Fellowship program, I can think of no finer officer for this program. I have known and observed Captain [redacted] since December 2020, when she checked into 3d Raider Support Battalion. From December 2020- May 2021, I was her Reporting Senior while she served as the Battalion S-4 Officer. In May 2021, she was selected to serve as the Marine Special Operations Command (MARSOC) Commander's Aide-de-Camp. I had the opportunity to continue to work with and observe this Marine as I transitioned to serve as the G-33 and later within the Combat Development and Integration Branch (CD&I).

2. Captain [redacted] has always demonstrated a passion and drive for learning and continued education, both personally and professionally. Her organization, multi-tasking abilities, and interpersonal skills have proven unmatched, especially during her time as the Aide-de-Camp. I recommended her interviewing for this prestigious position knowing her strengths and seeing the potential to which she could reach within this billet and this community. There is no question she would thrive in a graduate level program while maintaining her professional competence and enthusiasm.

3. Professionally and personally, Captain [redacted] sets the example and embodies a true Marine Corps Officer. She continually strives for the highest levels of physical fitness, personal appearance, and professional skill. She takes pride in her roles and responsibilities and holds herself to surpassing standards and expectations. The little time she does have outside of work, she uses for furthering her reading and fitness.

4. I enthusiastically recommend Captain [redacted] for the Congressional Fellowship Program; she is exactly who we need to represent the Marine Corps on Capitol Hill. I can be reached at [redacted]
