A Word from the Chaplain

Garbage In, Garbage Out
HQ BN HQ USMC BN Chaplain – LT Jonathan Maruszewski, CHC

“Garbage in, garbage out!” Perhaps you have heard this phrase? I heard it all the time growing up. It was literally the response I got when I wanted to begin collecting Garbage Pail Kids cards along with my friends. The term refers to the consumption of harmful and trashy content and the results they produce in our lives. Another term I have come across in studying our culture and times is the phrase “Doom Surfing.” This term refers to the perpetual consumption of bad news or bad reports concerning COVID19, violent rioting and looting, injustices performed against particular people groups, violence recorded in TikTok videos, and staged beat downs of certain individuals to name a few. Like a bad accident on the highway, we are shocked, but we can’t look away and our media feeds continue to display the disheartening content. All this consumption affects our worldview, our outlook on life, and our view of humanity.

There are multiple consequences to the consumption of this constant feed of negative content. We may find ourselves straying down the paths of indignation, numbness to real need, prejudice or intolerance of certain persons and ethnicities based on the negative media we consume. The remedy? Recognize the harmful effects of the content you are consuming and reduce or eliminate it entirely. There are better things to think about and more wholesome content to consume. Here is a good filter to apply to the things you allow in your life: Whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if anything exists that has virtue, or is worthy of praise: THINK ON THESE THINGS. It is good to be aware of the times and knowledgeable of the good and bad going on around you. Be wise as you determine how much of the garbage you allow into your life.

If you need some suggestions on healthy content or some assistance in figuring out how to improve your mental and spiritual fitness - your Chaplain is available! Call (703) 614-9280 or stop by the Henderson Hall, Bldg 29 Chapel.

**CONAD Office**

**CONAD Advisory 012-20**

In the effort to maintain proper social distancing and limit the amount of time it will take to process the influx of Marines reporting to Henderson Hall due to the termination of the stop movement, the Inbound Section of the Consolidated Administration (CONAD) Center will begin conducting mass check-ins. This will drastically reduce the time and individual Marine spends in processing with CONAD. Marines are still required to have their orders endorsed by CONAD or the Battalion OOD before 2359 of the no later than date listed on their orders. Beginning on 15 June 2020 there will be two briefs conducted Monday, Tuesday, Wednesday, and Friday in the auditorium at 0900 and 1400. The Thursday brief will only be conducted at 0900 due to afternoon closure for administrative training. We ask that all Marines arrive at least 15 minutes prior to the scheduled brief in order to have their documents printed and prepared prior to the start time. All members will need to attend one of these briefs in order to complete their audit and travel claim so that they may be processed into the Battalion. If a member cannot report in at one of the specified times, he/she must have their orders endorsed by CONAD or the Battalion OOD before 2359 of the no later than date listed on orders so that they may attend the next scheduled brief. If the auditorium is not available due to a scheduled command function an alternate location will be determined and pushed out prior to via the daily gouge.
